MINUTES OF THE ANNUAL
MEETING

January 17, 1933

The 37th Annual Meeting of St. Luke's Alumnae Association was called to order by the President, Miss Carrie Woods, on January 17th, 1933, at 7:30 P.M. at St. Luke's Hospital. There were about one hundred and twenty members present.

The minutes of the last meeting were read and approved.

Miss Ella Saline, chairman of the Program Committee, submitted the following report:

We have had eight regular meetings of the Alumnae Association, including this meeting, and the annual banquet. Each of the following committees took charge of one meeting—the Private Duty Section, the Public Health Committee, and the Associate Members Committee. We entertained the alumnae of the Illinois Training School at the March meeting.

Respectfully submitted,
Ella Saline.

Miss Saline moved that her report be accepted, Miss Graff seconded the motion; motion carried.

Miss Ruth Sackett, chairman of the Membership Committee, submitted the following report:

Madam President and Members of the Alumnae Association:

I present the following report from the Membership committee:

We had 49 new active members and 11 non-resident members admitted to our association in 1932.

Our total membership for 1932 numbered 556, a decrease of 51 members from the membership of 1931.

Respectfully submitted,
Ruth Sackett.

Miss Sackett moved that her report be accepted; Miss Werner seconded the motion; motion carried.

Miss Kathryn Gruber, chairman of the Relief Committee, submitted the following report:

Twenty-three nurses were patients in our endowed room during the year which made a total of 265 days.

Three members over stayed their three weeks period, which is allowed by the Alumnae Association, and there were three overlapping occupancies.

Flowers and notes were sent to 22 sick nurses, most of which were gratefully acknowledged.

Two sick benefits of \$50.00 each were sent to out of town members.

The association was deeply grieved at the deaths of Mary McFerran, Class of 1912, Beatrice Jackson, Class of 1918, Marcia Lange, Class of 1916, and Hilda Brockman, Class of 1917.

Respectfully submitted,
Kathryn Gruber.

Miss Gruber moved that her report be accepted; Miss Sackett seconded the motion; motion carried.

Miss Hettie Gooch, chairman of the Finance Committee, submitted the following budget for 1933 and report:

The year of 1932 saw the failure of the Foreman Trust and Savings Bank and with it the defaulting of our bonds. We are fortunate that the rest of our bonds are intact and have been paying the usual interest. Our securities have been serviced by Mr. Olsen, of the Continental Illinois Bank.

No new investments have been made but the money we have for investment has been transferred to the savings account so that it might draw interest.

As a result of the cutting down of the number of student nurses we must expect a corresponding decrease in the number of Alumnae members and therefore a decreased income. With this in mind it behooves us to cut down expenses to the minimum during the coming year.

Respectfully submitted,
H. Gooch, Chairman.

Miss Gooch moved that her report be accepted as read; Miss Burnham seconded the motion; motion carried.

Miss Mabel Shannon presented the report of the Nominating Committee and tellers of the annual election.

Miss Hettie Gooch, chairman of the History of Nursing Committee, then submitted the following report:

The History of Nursing Committee has very little progress to report during the past year.

The corrections and additions to the first copy of the History of the School are still being made and it is hoped that in the near future we shall be able to submit these corrections and additions to Miss Goldstine so that the History may be completed.

Respectfully submitted,
H. Gooch, Chairman.

Miss Gooch moved that her report be accepted; Miss Rein seconded the motion; motion carried.

Miss Mary Everett, co-chairman of the Private Duty Committee, submitted the following report:

St. Luke's Private Duty Forum was organized May 23, 1932 for the purpose of open discussion of the problems of the private duty nurse and ways in which they could be adjusted.

Six meetings have been held.

A survey was made and agreement signed by about 80% of the private duty nurses. They agreed to give four weeks' time to the hospital during the year 1933, while waiting for cases, so that a reduction in the size of the Training School could be made.

A survey on the 20-hour duty situation and how it was taken care of in other hospitals was made. Mrs. Crocker and Mr. Wardell agreed to abolish it in the hospital as nearly as possible, and it has been almost completely done away with.

It was voted to hold one lecture a month on current medical subjects, invitations to be given especially to private duty nurses of all hospitals.

Two have been given: the first on December 12, 1932, by Dr. Samuel Fogelson, on "Mucin Therapy"; the second by Dr. George Hall, January 10, 1933, on "The Mental Attitude of Patients."

Respectfully submitted,
Mary Everett.

Chairman Private Duty Forum.

Miss Everett moved that her report be accepted; Miss Werner seconded the motion; motion carried.

The secretary then read the following report of the Educational Committee:

| Cash set aside for Educational Purposes | \$2,000.00 |
| Loans to Six Members | 900.00 |

Returned:

| | |
|--|-----------|
| From one member, in full | 100.00 |
| From one member, on account | 20.00 |
| From one member, interest on \$150.00 for one year at 2% | 3.00 |
| Total returned | \$ 123.00 |
| Balance in loans outstanding | 777.00 |

Balance available for loans for
Educational purposes \$1,223.00

Respectfully submitted,

May D. Collins,
Chairman, Educational Committee.

Note: The interest at the rate of 2% per annum is not charged from the date of granting of the loan but from the time the course taken is completed.

The secretary moved that this report be accepted as read; Miss Shannon seconded the motion; motion carried.

Mrs. Fay Morgan Gough, chairman of the Associate Members Committee, submitted the following report:

The Associate Members Committee was in charge of the Spring Tea given on the Seventeenth of May. Eighty active and associate members were present. The committee sent out one hundred additional invitations to married nurses residing in and about Chicago, attempting to reach many nurses who do not belong to the Alumnae Association. The program was in the form of a short review of the uniforms worn by the nurses in the training school. These uniforms are now in the possession of the Alumnae Association; and, although several of them are not the original models, the committee made every effort to copy them as nearly as was possible.

Respectfully submitted,
Fay M. Gough.

Mrs. Gough moved that this report be accepted; Miss Graff seconded the motion; motion carried.

Miss Emma Werner, chairman of the Revisions Committee, submitted the following report:

Madam President and Members of the Alumnae:

During the past several months my committee has been engaged in a revision of our by-laws in order to make some corrections recommended by our attorney and to make a few changes found advisable by the Board. We hope to put copies of these revisions into your hands with the February Journal so that they can be finally ratified at the February meeting. Most of the changes are in the way of arrangement and phraseology. The im-

portant changes, to each member, are the following:

In the past our first and second Vice Presidents have played a rather idle part on the Board. We found that in all large organizations the Vice Presidents are intrusted with what are considered the most important branches of the work. It was decided therefore, to have our Vice Presidents automatically function as Chairmen of Standing Committees. This makes it possible to create two new standing committees without enlarging the Board. We have added the Revisions and the Private Duty Nurses Committees. The first Vice President will function as Chairman of Revisions and the second Vice President as Chairman of the Finance Committee. The new Private Duty Nurses Committee is given the privilege of naming its own chairman, provided this section performs this duty and reports the result to the secretary prior to the February Board meeting each year. Their failure to do this gives the Board the right to appoint this chairman.

We have requested that the First District revise their by-laws to make them more definite concerning dues. They are doing so at their annual meeting in February so that we, in turn, can definitely state in our by-laws that new members admitted during the last three months of the year, pay the full annual dues, but this carries them over the entire next fiscal year. This new ruling is outlined in our rules covering "Dues" and under "Duties of the Treasurer." At the time of our February meeting we will know definitely whether this change was approved at the First District Annual meeting.

I also move the adoption of the resolution which appeared in our December Journal, as follows:

Whereas, the Charter of the Alumnae Association of St. Luke's Hospital School of Nursing now reads, "The management of the aforesaid Association shall be vested in a Board of eleven Directors, who are to be elected annually";

Whereas: it is desired to elect such Board of Directors biennially.

Therefore, be is resolved that the Charter be and the Same is hereby amended by striking out the word "annually" and inserting the word 'biennially.'

Respectfully submitted, Emma L. Werner,
Chairman, Revisions Committee.

Miss Fulmer seconded Miss Werner's motion; motion carried. Miss Werner moved that her report be accepted as read; Miss Bartel seconded the motion; motion carried.

Miss Ethel Lucas, chairman of the Public Health Committee, submitted the following report:

The Public Health Committee was in charge of the regular meeting held on April 19 when the various phases of Public Health Nursing were presented to the association.

Respectfully submitted,
Ethel Lucas.

Miss Lillian Rein, chairman of the Friendly Relations Committee, then submitted the following report:

Owing to the fact that only a few notices have been sent me, I have written six letters and received five replies.

Respectfully submitted,
Lillian Rein.

Miss Rein moved that this report be accepted; Miss Gruber seconded the motion; motion carried.

Miss Clara Piltz read the following report of the Press Committee:

During 1932 the Press Committee published five (5) Alumnae Journals. We have endeavored to make the Journal a book that should be read from cover to cover. Alumnae news, reports of meetings, and committees and items of special interest to our own profession have been published. Start the year of 1933 right by sending news of any items of interest to nurses to any member of the Press Committee.

Respectfully submitted,
Ellen Rattle.

Miss Piltz moved the acceptance of this report; Miss McNab seconded the motion; motion carried.

Miss Helen McNab, Treasurer, then read the treasurer's and auditor's reports. She moved that they be accepted; Miss Werner seconded the motion; motion carried. (These reports are on file with the Association's records and documents.)

SECURITIES HELD BY CONTINEN-
TAL ILLINOIS BANK & TRUST CO.

December 31, 1932

Held For Account of Endowed Room

Miss Harriet Fulmer, our retired President, very graciously read the President's report:

To the Directors and Members of
St. Luke's Alumnae Association:
Greetings:

SUMMING UP

As your retiring president I have been given the privilege of "summing up" for your records a few of our outstanding accomplishments in the year 1932. These are the days when literally hundreds of like organizations are making an inventory of their liabilities and assets. No organization can expect to grow which does not from time to time weed out the non-essentials and in their place substitute a vital something which will make us look forward to a wider and more productive investment of our time. It is well to have traditions and we have many of them at St. Luke's, but they should be retained only as they fit into the upbuilding of our modern nursing world. Let us select carefully the ones we ought to keep. St. Luke's Alumnae for years has stood for all that is fine and progressive and looking back over a long period I have seen our organization grow from a small handful of devoted souls to a large up-to-date group of women who are now taking part in all the activities of a great nation-wide movement for the better care of the sick. So today, January 17, 1933, if I may be permitted to offer a suggestion I should like to see our organization wipe the slate clean of all the old worn-out theories and methods and now and hereafter, write upon it a program fitting into the wider fields of our profession which will benefit ALL nurses, no matter where they live or from what school they have graduated.

This last year we have made some strides in this direction, but we still have a long way to go.

OUR CONTRIBUTIONS

Some of our members have made no small contributions towards such a program during the year. Right now I have in mind Jessie Lawrie, she of the understanding heart, who has given days and months of personal labor to the work of the First District Association. St. Luke's Alumnae will never again need to explain to the First District what we mean by the "spirit of service;" it is embodied in Miss Lawrie. Katherine Gruber, appointed by the Board of Directors to represent the Alumnae in the First District has also made a place for us in this association. She has acted for a long time as chairman of the hourly nursing group. Her contact here has shown her an able representative. The "silent" workers of any organization are often the most important. Helen McNab, our treasurer, is one of these persons. I do not know any treasurer anywhere who would go on a vacation for rest and pleasure and take the books of the Association with her. She knows our gratitude is unbounded for her loyalty and interest.

If I were to go on naming the "real workers" of the Alumnae it would include scores of people who truly "serve." I am sure "service" is the watchword of Nell Beeby and Mabel Shannon and Ellen Rattle and Ella Saline. A labor of love is theirs and we are truly grateful.

Our graduates throughout the land are taking part in the advancement of nursing education, in guidance of the curriculums in Schools of Nursing; they are supervising hospital institutions, they are acting in the capacity of instructors, they are acting as individual nurses, giving bedside care to one patient and so on through scores of services where technical skills are needed. For some reason our Alumnae have not gone ahead as it should in the public health field. Perhaps sometime we may "catch-up" in this most important service.

A PUBLIC HEALTH SECTION

We need a definite section with a tie-up in all branches of public health. The reason I take the liberty of singling out this branch for emphasis is because in the re-adjustment of nursing for the future "public health" will play an important part. In fact the time is here and we should, as a group, be securing better preparation for the many positions now waiting to be filled. Let us make a special effort toward this end. I should like to recommend such a plank in our 1933 program.

ORGANIZATION OF A FORUM

When nurses everywhere came home from the Bi-Ennial in San Antonio, where they found their whole world apparently topsy-turvy, many of them became imbued with falacious ideas that the entire problem of over-production and consequent unemployment in the nursing world would immediately be solved by the abolition of ALL schools of nursing, large and small and that the logical group to advocate such procedures would be the Alumnae associations. Why our leaders at San Antonio should have left this younger group with this impression is a question. However, shortly after our own First District Association held several conferences with representatives of each Alumnae to help work out a number of plans which could be put in operation for a re-distribution of nursing service.

Since the "private duty" nurses were the persons most effected by the problem of unemployment it was left to this group to take the initiative. Your president had the privilege of advising with the representatives of all the Alumnae Associations in the First District and the outcome of the conference was that a "Forum" for the discussion of this particular problem was organized. This Forum was not associated with the private duty committees of the Alumnae Boards but was and still is a separate and distinct unit. It elected its own officers, held meetings when and where they pleased and set up its own procedures.

Out of the deliberations and activities of this Forum, under the leadership of Mary Everett, bless her heart, and her special committee, St. Luke's nurses advocated a plan which has been far-reaching in its results. In order to assist the officers of the School of Nursing to put in operation the program of lessening the intake of students, the Forum voted to offer one month's free service from each of its members for hospital duty when the need should arise. In order to carry this out, systematically and successfully, it required the co-operation and pledge towards such a program from a large number of nurses. A person to person interview was undertaken by the Committee and a very remarkable response resulted in a pledge being secured from over one hundred nurses. This NOW means that the School of Nursing of St. Luke's, Chicago, may have one hundred months of free graduate service for the care of the sick in St. Luke's Hospital. It is thought to be the most outstanding contribution of the year towards the solution of a readjustment

program. Right here I would be remiss if I forgot to record the debt we all owe to the great army of private duty nurses who suddenly found themselves with no income. These "courageous souls" by their poise and fine character have contributed to the morale of their fellow nurses. It may have been an intangible contribution but it is none-the-less of value.

NATIONAL and INTER-NATIONAL ALLIANCES

As time goes on the graduates of our School are becoming more and more organization conscious and we know that we can no longer live "unto ourselves alone." National and International activities of the nursing world should concern all of us. We realize that St. Luke's standards must affect the world-wide program. This is as it should be.

LOYALTY TO YOUR ELECTED OFFICERS

The Board of Directors, through its committees, has tried very hard to be just and fair in the distribution and use of the Trust Fund of the Association. Some of our funds are safeguarded by the Constitution and By-Laws and some must be administered according to the judgment of the Board and the needs involved. Your Board is not infallible, but its deliberations and decisions should be upheld and respected as long as its members serve. An approval or disapproval should take place only by vote in the change of officers at each annual meeting.

COMMITTEES

The standing committees have been live-wires throughout the year and each chairman has prepared for you a report in full of their especial activities.

The Special Educational Fund Committee, with Miss Collins as chairman, had allocated to it \$2,000 to be set aside for loans to nurses for further study and this Fund has proved a real blessing. Those who have been beneficiaries have already begun to return the loans with many expressions of appreciation and thankfulness for the privilege.

A much needed and difficult task has been accomplished by Emma Warner chairman of the Revisions Committee. She has had the task of almost an entire re-writing of our By-Laws. Whatever Miss Werner does she does well, and we were fortunate in having her interest and enthusiasm for this labor of love.

In our list of "grateful appreciations" we should put near the top our thanks to Mrs. Crocker and her staff for the courtesy constantly accorded the Alumnae

Association. Scores of expressions come in to say how much each member is made to feel at home in our gatherings in the School of Nursing.

SPECIAL ACHIEVEMENT

Your president, being of an inquiring turn of mind has been casting about in various places to find where our graduates have done some outstanding piece of work. In doing this several activities have been uncovered, but none of so definite and far-reaching a character as that being accomplished by St. Luke's graduates in the care of little children at the Children's Memorial Hospital, Chicago. This group belongs way up in the list of "Who's Who" in 1932. The following names should be written in the "Service Archives" of this Association. I name the names of

Mable Binner, R.N.

Superintendent of the Hospital

Betty Jennings, R.N.

Chief of the Social Service Dept

Mabel Madden, R.N.

Head Nurse

Edith Bender, R.N.

Operating Room Supervisor

Hettie Gooch, R.N.

Director of Health and Social

Activities

As I recorded the above, it came to me that the Alumnae Association would do well each year to recognize its members for some outstanding contribution of the year. A sort of Nobel Prize, as it were. In our large body of graduates we have scores of members with latent talents (every day I live I discover such a person). I wonder if it would not be worthwhile to make a systematic survey so that no talent will be lost in helping to make us a strong, effective body.

In closing this report I wish to thank the entire membership for its patience with my shortcomings for many years, seventeen to be exact, and for the privilege of serving on your Board of Directors. Under the leadership of Miss Woods and a readjustment of our affairs, we expect to have the coming year one of unusual activity. With many of the Directors living within the Hospital walls our important matters may be more expeditiously cared for. IT IS A NEW DAY FOR ALL OF US.

My closing message is a quotation from "Skinny" Martin
Life's short and the world's always changing,
And if you don't want to get left on the shelf.

Don't stand and watch things getting different,
But make some of the changes yourself,
Respectfully submitted,
Harriet Fulmer, Pres.

The Secretary then read the following communication from Miss Fulmer:

Dear Miss Beeby:

I have waited days to think of what I can say to the Alumnae to adequately express my appreciation for my lovely Christmas gift, but there are just not any words in the dictionary that will tell you all how happy I am over the expression of friendship that this gift brings to me.

My love for the Alumnae extends far into the past, and will go on and on into the future. When you need me I shall not be found wanting.

Sincerely yours,
Harriet Fulmer.

Miss Fulmer then announced that our association has been further honored this year, in that one of our members—herself—has been presented by the Illinois State Nurses' Association as a candidate for the Saunders Award. The enthusiastic applause with which this announcement was received indicated the respect and affection in which we hold Miss Fulmer.

Miss Woods then turned the meeting over to the student nurses of the class of 1936 A who presented a project demonstrating the correlation between science courses and nursing procedures as taught in the school of nursing.

After this splendid demonstration the meeting adjourned and refreshments were served.

Respectfully submitted,
Nell V. Beeby, Secretary.

The History of Nursing Committee would appreciate having the following questions answered:

1. When was the outdoor uniform abandoned?
2. Would you like some of the old nursing procedures described and contrasted with the present day procedures?
3. Please send in the names of the nurses who volunteered during the Spanish American War.
4. What doctors do you want mentioned in the History and why? Give anecdotes.
5. Who was the first leader of the Blue Cross?
6. Who was the first leader of Veronica's Guild?
7. Did the Alumnae ever contribute to the Associated Charities? When?

8. Did the Alumnae Association ever contribute to the Social Service Department?

9. Did the student nurses in the early days have any experience in Visiting Nurse work?

10. Will some one write up their experiences in the flu epidemic of 1918?

NOTICE

The proposed revised by-laws, presented in this issue, have been approved by the Board of Directors and the Committee hopes the Alumnae will take final action on them at the February meeting. Members are requested to peruse them critically and bring all questions and suggestions to the meeting.

The reduction was therefore carried and has since been approved by the Board of Directors of First District and is effective January 1, 1933 as follows:

These reductions are to be in force for one year, unless business conditions warrant a return to the former rates.

Nurses will be allowed to retain their position on the list until assignments amounting to \$28.00 have been reported.

The Board of Directors of First District approved a reduction to \$10.00 for 1933 registry fees, allowing those who wish, to pay in two installments of \$5.00 each. A quarterly rate of \$3.00 will be made to those who wish a short term service.

"It ain't the individual,
Or the army as a whole;
But the everlasting team-work
Of every blooming soul."

CALVIN COOLIDGE

Son of New England soil, rock-strewn and lean,

Who looked upon the world with level eyes,

Whose dreams were practical, whose jokes were dry;
Terse in his speech, and commonplace in mien,
And Yankee-shrewd, and Yankee-keen and clean—

A modern Pilgrim sent to sanctify
Another Plymouth town, encloistered by

A girt of mountain, undulant and green.
Thus simply bred; thus simply lived and died

Coolidge, the man. Coolidge, the president.

Impassive, prudent, plain but dignified
By modesty, was nowise different

Unidolized, he idolized no man,
But served and loved each true American.

—Eolus in the Chicago Tribune.

The March meeting of St. Luke's Alumnae Association will be held on March 21, 1933 on Main 2. Please be present and show your allegiance to your Alumnae Association.

Minutes of the Regular Meeting, December 20, 1932.

The regular meeting of St. Luke's Alumnae Association was called to order by the President, Miss Carrie Woods, at 7:45 P.M., at the Hospital. There were about sixty members present.

The reading of the minutes of the last meeting were dispensed with.

Miss Ellen Stewart, Chairman of the Nominating Committee, submitted the following ticket for the Annual election: President—Carrie Woods R.N. 1922 2nd Vice President—May D.

| Bertha Madison R.N. | 1921 |

| Ellen Stewart | 1898 |

A motion was made and seconded that the ticket be accepted as read—no nominations being made from the floor—the motion was carried. The nominations were closed.

The secretary then read a letter from Mrs. Crocker in which she stated that the Private Duty Nurses offer of aid in the present critical situation was received by the School of Nursing Council, with deep appreciation and that it would be possible to reduce the incoming classes still further than has been formerly anticipated. This announcement was received with enthusiasm by members of the Alumnae.

As there was no other business to be considered, the meeting was turned over to the Program Committee. Miss Ella Saline presided at a very enjoyable entertainment given in honor of our retired President, Miss Harriet Fulmer; and Santa arrived in time to present her with his best wishes and a remembrance from the grateful members of the Alumnae Association. After refreshments had been served, the meeting adjourned.

Respectfully submitted.
Nell Beeby, Secretary.

Ruth V. Coonley, a frequent visitor in DeKalb and known by hundreds in this

community, has published a book of verse which she titles "Nit-Wits" which contains a group of poems written by herself. The poems are brief, pleasing and written in a manner that gives the words something more than mere rhyme.

Two of the poems contained in the volume have already been published, one "Doubting" having appeared in The Occult Digest and a second "Spring" having been printed last October in "The Poet."

Miss Coonley is a New Yorker by birth but has enjoyed living in numerous states, spending a good deal of time in Illinois and visiting in DeKalb on numerous occasions. She is a graduate of The Centenary school for Girls at Hackettstown, N. J., in both the Latin Scientific and the Art courses. She followed the study of painting and designs for two years at Chicago in the Academy of Fine Arts under the direction of Carl N. Werntz and others.

She is also a post war graduate of St. Luke's hospital Training School for Nurses and has been active in the profession for several years.

The Central Council of Nursing Education will hold a Luncheon meeting on Tuesday, February 14, 1933 at the Palmer House, Chicago, immediately following the Joint Session (to be devoted to Nursing) of the Council on Medical Education and Hospitals of the American Medical Association, and the American Conference on Hospital Service. Winford H. Smith, M.D. Director of The Johns Hopkins Hospital, Baltimore, Maryland, will speak on "Future Trends in Nursing."

The First District Association will hold its Annual meeting at the Chicago Woman's Club, on February 14, 1933 at 7:30 P.M. Dr. Horace Bridges will be the guest speaker. Clarence Callahan, Director of Education of Cook County and Madeline Kneberg, an alumnus of the Presbyterian School of Nursing, will sing a group of selected songs. This program will bring a "seating capacity" attendance. The music will be a real treat and Dr. Bridges never fails to bring us an inspiring message. Come one and all.

The Nurse Exchange, located at 8 South Michigan Ave., Room 1520, has many useful articles. Birthday gifts, Bridge Prizes may be purchased there. Orders are taken for Lingerie and uniforms and caps. Help the Exchange and make it a success. The money goes towards helping the nurses and towards relief. Thursday is the day to sew at the Exchange. Everyone is welcome.

The following nurses were received into membership of St. Luke's Alumnae Association;

Opal Ducker—Tentative membership (active) 1932

Esther Peterson — Tentative membership (active) 1932

Josephine Council — Tentative membership (active) 1932

Miss Ina Kaukola, Class of 1932, Reg. No. 24627

Miss Fern Krans, Class of 1932, Reg. No. 24362

Miss Catherine Stough, Class of 1931, Reg. No. 24107

We believe that all Alumnae Association Members look forward to receiving their copy of the Journal, issued five times a year and so a word more in connection with the importance and necessity for the Press Committee to have your correct address, if you are not to miss any.

Uncle Sam will not forward second class mail matter without additional postage. The Association guarantees return postage which, of course, involves double postage cost for each Journal not delivered. For all those returned every effort is made to discover an address that will reach every member and this requires considerable work with more or less phone and postage cost. After a Journal has been returned to sender, it will not be accepted by the Post Office in the original envelope, so more cost for an envelope, as well as a third postage. It is evident that many times an effort has been made to forward to a new address, some times only a temporary one. But to have that succeed, it must be remembered that new postage must also be attached, so please arrange for such postage. And do not overlook to promptly send to the Press Committee, the Treasurer or the Secretary, a permanent address. A Postal Card will do it. THANK YOU.

ART OF LIVING

Happiness is a perfume you cannot pour on others without getting a few drops on yourself.—Emerson

The worst bankrupt in the world is the man who has lost his enthusiasm. Let him lose everything else but enthusiasm and he will come through again to success.

Real Silk Hosiery orders are taken by Mary Everett, either at First District Exchange or by appointment. All prices and styles are shown. Real Silk Lingerie may also be purchased through Mary Everett. Write to Miss Everett at 5511 Kenmore Ave., Chicago, for further information.

The Chairman of the Private Duty Section of the First District deserves the loyalty and support of every private duty nurse, whether she approves or disapproves of the choice. If out of seven or eight hundred nurses, there can be found only one who will allow her name to be placed on a ballot, she herself must be a very loyal nurse to tackle a job such as the one just mentioned. Therefore she deserves our united support.

St. Luke's nurses form only one small unit of a very large organization and their wishes cannot always be given preference. However very often a lack of understanding of situations and conditions, and of boards to be appeased, results in much bitterness and dissension. But every member of the board is willing to listen to constructive criticism and will explain matters in so far as she is able.

Only through intelligent leadership will nursing conditions ever be improved. So lets make this next year one of progress and each one help by attendance at meetings and discussion of serious problems confronting us.

The Private Duty Forum voted to sponsor lectures this winter. Two have been given. The first one by Dr. Fogelson, on Mucin Therapy; the second by Dr. Hall, on The Mental Attitude of the Patient. Due to the lack of interest shown there will be no more given this winter.

The S. S. Steamer Statendam, sailing under a full moon out of New York harbor at midnight of June 30th, will carry a happy lot of nurses, Paris bound for the International Council of Nurses, July 10-15.

Independence day will be the most notable one in the lives of these Americans because it will be spent in mid-Atlantic with all the fire works, bands, a college orchestra, potato races etc.

How can any of us miss such an opportunity? From New York and back to New York with hotel, meals, baggage and all trips for \$294.00. Four countries are visited after the convention.

Those wishing to go to the famous shrine at Lourdes, join the Bishop of Brussels party at the close of the convention at Brussels.

Reserve your state room now with the transportation chairman, who is a member of the Board of Directors of First District, Illinois State Nurses Association. Miss Ethel L. Barker, R.N., 701 No. Michigan Ave., Chicago, Illinois.

ST. LUKE'S

Oh old St. Luke's, Oh dear St. Luke's!
 I still recall the years I gave my all
 To you, St. Luke's.
 Mid death and life,
 Mid strain and strife
 Each day we carried on;
 Mid loss and gain,
 With tears and pain
 The days were drear and wan.
 But still, and all you did enthrall
 And kept us at our post.
 Was it fascination for each day,
 Or new people brought our way?
 Or was it YOU we liked the most.
 St. Luke's?

Ruth Coonley,
 Class of 1933.

The Poems, written by Ruth Coonley, entitled "Nit-Wits" may be purchased at the Nurses Club for twenty-five (25) cents. The book is very good and why not patronize our fellow classmates? Other articles will be found in the Journal which will show you how her poems have taken. Congratulations Ruth.

The Red Cross have moved their work-rooms to the Headquarters at South Michigan Ave. If you are not working at your own local Red Cross, help at the Headquarters. They need your help.

At the conclusion of twenty-five years as lady superintendent of the Western Hospital, Miss Jane Craig, R.N., has resigned the office to which she was appointed on May 1, 1907. Miss Craig's decision to retire from the position she has filled with signal success has been received with regret by all those with whom she has been associated. During the time she has been at the head of the hospital's nursing staff, Miss Craig has shown great ad-

ministrative ability, and the prestige of the institution has increased under her direction. Tribute is paid to Miss Craig not only as having rendered conspicuous service in raising the standard of hospital care, but also for having by her personality made a definite impression on the nursing profession, imparting a greater sense of the dignity of a nurse to those who worked under her direction.

Miss Craig was born in Montreal. She is the niece of our beloved Mrs. Jane Herchimer.

Miss Craig was educated at the Girls' High School in Montreal and at McGill University. She graduate at St. Luke's Hospital, Chicago, in 1904, following which she was assistant in the operating room at St. Luke's, and later night superintendent. She was instructor in the first preliminary class in practical procedure at St. Luke's in 1906, and the following year she was appointed lady superintendent at the Western Hospital in Montreal.

Miss Craig is succeeded as lady superintendent by Miss Blanche G. Herman, R.N., graduate of the Montreal General Hospital, of the class of 1925. She did post-graduate work at the McGill School for Graduate Nurses. Miss Herman was for a time in charge of Ward H of the Montreal General Hospital and since that time has been assistant superintendent of the Royal Victoria Montreal Maternity Hospital.

In 1929, during the International Nurses Convention in Montreal, Miss Craig and her associates entertained the St. Luke's delegates, at Tea. The Alumnae wish her all the happiness in the world, on her retirement and Godspeed.

A number of our nurses have been working for the City Health Commissioner in the recent Toxoid?Diphtheria Campaign. Some of those that worked are Rose Barrett, Adeline Adkins, Harriet Elgtach, Nancy High, and Clarabelle Hipp.

April Meeting

April 18, 1933 - 7:30 P.M.

AN INTERESTING PROGRAM

Everyone Is Welcome

MAIN II

MINUTES OF THE REGULAR MEETING

February 21, 1933

The regular monthly meeting was called to order by the President, Miss Woods, at 7:30 P.M. at St. Luke's Hospital. There were about one hundred members present.

Due to the fact that there was considerable business to be discussed, the reading of the minutes of the last meeting was dispensed with.

The secretary read the treasurer's report. A motion was made that the report be accepted as read; the motion was seconded and carried.

The secretary then read the report of the Membership Committee. Three new members have been accepted during the month: Miss Opal Rasmussen, 1930, and Miss Velma Shake, 1930, as active members; Miss Alice Norbeck, 1932, as a non-resident member. The report of the membership committee was accepted as read. The Relief Committee and the Finance Committee submitted no reports.

Miss Saline, chairman of the Program Committee announced that our next meeting will be held at the Children's Memorial Hospital where we will be guests on a tour of their new building.

Miss Emma Werner announced that a new plan for our Annual Banquet is being considered by a special committee. This being the year of the "Century of Progress" it was suggested that we have a very inexpensive dinner, inviting every graduate of St. Luke's, and that we make no charge to the nurses for the dinner. Miss Werner asked for suggestions or comments on this plan. Members were requested to write the secretary regarding their willingness to help finance the project.

The Press Committee and the Private Duty Committee submitted no reports.

The Revisions Committee chairman, Miss Emma Werner, presented their revisions of the By-Laws as printed in the February "Alumnae" for adoption. She also explained the reduction of the First District dues from five dollars to four dollars and presented the First District's suggestion that our association reduce its dues from three dollars to two dollars. Miss Werner moved that we adopt the revisions as they were presented and with no changes in dues. Miss Fulmer seconded the motion, the motion was unanimously passed.

Miss Woods announced that due to the changes made in the By-Laws the new standing committees would not be announced until next month.

Miss Irene Stolp, chairman of a special committee for the preparation of material for the new Year Book, announced that she is still unable to get the correct addresses of some of our graduates and asked that all members aid her in this if possible.

Miss Maude Gooch announced a benefit bridge and dancing party which is being given by the St. Luke's Nursing Staff and the class of 1933. The proceeds are to be used for the care of Miss Himottu, a member of the class of 1933.

Miss Lillian Rein, chairman of the Friendly Relations Committee reported seven letters sent by her committee during the past month.

The secretary then presented the matter of the incomplete "Journal" files. She asked that any member who has issues of the "Journal" that are missing from the permanent files, and who is willing to place them in the files, send them to her. A list of the issues that are missing will be printed in the next number of the "Journal."

There being no more business, the meeting was turned over to the Program Committee.

Dr. William F. Lyons, surgeon for the International Harvester Company, spoke on "The Working Man's Compensation Act," after which the meeting adjourned and refreshments were served.

Respectfully submitted,
Nell V. Beeby, Secretary.

The April Alumnae meeting will be held on Main 11 at 7:30 P.M., on April 18, 1933.

One day last week, a man stopped in the Nursing Department Office and said he wanted to pay the "volunteer nurse" who had taken care of his wife a few days earlier. He was told that the nurse's services were given gratis. He said that he understood that, but as he was able to pay the services he wanted to do so. His wife had died a few hours after the nurse had arrived for duty. Such an instance makes us realize how much gratitude and unselfishness still survives in these hard times.

EASTER TIDE

"Easter is here!" glad voices raise
"The old refrain of joyous praise;
"Easter is here!" hark once again,
Angels repeat the happy strain;
"Easter is here!" may thine be blessed
With all that's brightest, all that's best
And one gift, all the rest above,
The blessings of His changeless love.

The Minutes of the Regular Meeting.

March 21, 1933

The regular meeting was held in the Auditorium of the new Nurses Home of the Children's Memorial Hospital. There were about two hundred nurses present. Due to the fact that there was no important business to be considered, the business meeting was dispensed with. The delightful program and social hour which had been arranged for us have been reported by Mrs. Anne W. Smeltzer.

ALUMNAE MEETING

March 21, 1933

Icy pavements acted as no deterrent to the attendance of our Alumnae members who assembled by scores at the Nurses' Home of the Children's Memorial Hospital on Tuesday evening, to be guests of that Hospital Staff.

Miss Binner, Superintendent of the Hospital, set the pace for a very enjoyable evening by her warm, informal address of welcome to the wonderful new Nurses' Home, which justifies the pride of each Nurse at the Children's Memorial, since it is the fulfillment of the sort of dream from which Nurses everywhere yearn not to be wakened. Miss Howe, Directress of Nurses, added her welcome in her charming way.

Dr. Joseph Brennemann was then introduced, as guest speaker, his subject being, "The Human Side of the Hospital."

Possibly in all Chicago no Doctor is better fitted to speak on the "human side" of anything than our own Dr. Brennemann. (We still claim him as a member of St. Luke's family, regardless of other Hospital affiliations). Dr. Brennemann gave us much to ponder over, individually, and also as a group who represent the individuality of our particular Hospital. The interpretation of our Hospital to patients and to the laity in general, is largely a matter of the Doctors' and Nurses' innate kindness and forgetfulness of self, meeting the patient's reaction to the strangeness of his surroundings with sympathetic consideration, assuaging his unspoken fears and doubts with a kindness and interest that inspires confidence, and treating his anxious family and friends as we would wish our own to be treated. It is impossible to tabulate in cut and dried fashion the thoughts that Dr. Brennemann voiced, as the talk was typical of his own humorous human-ness, a kindly understanding of human nature which transcends arts or professions, and which when sifted down to its fundamental gold vein may be translated in the words of Abou Ben Adam—"Write me as one who loves his fellowmen."

Following Dr. Brennemann, a group of songs was brilliantly rendered by Miss Elsa Hottinger, late of French opera, each number receiving well-merited acclaim. Miss Hottinger has been a life long neighbor and friend of Children's Memorial.

Next feature of the program was personally conducted tours, by groups, through the Nurses' Home. And WHAT a home . . . Exquisite taste is demonstrated in the finishing and furnishing of this architectural gem. Believe it or not, there are rooms with deep luxurious beds where tired Specials may rest on hours off. And such dainty, comfortable bedrooms for Nurses, such immaculate kitchens and dining units on each floor, where Nurses may "play house" any time they do not choose to go to the large dining room. One is continually coming on reception, sitting and lounge rooms where Nurses entertain their friends, and who says we are not living in the romantic thirties—some of these reception rooms can be converted into separate units by closing folding doors. Then there is a sewing room, laundry, showers and even a trunk room on each floor—at last a trunk wins its place in the sun and is not just baggage.

The educational unit with complete ward set-up, library, etc. is the acme of up-to-dateness. Then there are the Assem-

bly Hall, the mellow-toned dining rooms and the beautiful large, luxurious reception room—there is just so much perfection that writing about it is pure desecration.

After the tour the evening's rich entertainment closed in the aforementioned gorgeous reception room where Miss Binner and Miss Howe served coffee and cake from a table aglow with soft candle light gleaming on flowers, silver and delicate china, a pretty picture in the midst of subdued coloring of furniture and drapery.

To sum up we can do no better than quote Henry Van Porter "It was a charming evening."

TAXED TO DEATH

Gentlemen:

I am enclosing \$4.00 on my account that is much past due, but wish to inform you that the present shattered condition of my bank account makes it impossible for me to send you my check in full in response to your request. My present financial condition, is due to the effect of the federal laws, state laws, county laws, incorporation laws, by laws, brother-in-laws, mother-in-laws, and out-laws that have been foisted upon an unsuspecting public. Through these various laws I have been held down, held up, sat on, walked on, flattened, squeezed and broke until I do not know what I am, where I am, or why I am.

These laws compel me to pay a merchant's tax, capital tax, income tax, incorporation tax, real estate tax, auto tax, property tax, gas tax, light tax, water tax, cigarette tax, school tax, syntax, liquor tax and carpet tax.

In addition to these laws I am requested and required to contribute to every society and organization that the inventive mind of man can invent. Give to the Society of St. John the Baptist, the Woman's Relief, Navy League, the Children's Home, the Pro-Freeman's Benefit, the Dorcas Society and the Gold Digger's Home.

The government has governed my business so that I do not know who owns it. I am suspected, expected, inspected, disrespected, examined, re-examined, informed, required, commanded and compelled until all I know is that I am supposed to provide an inexhaustible supply of money for every known and unknown need, desire or love of the human race, and because I refuse to donate to all and then go out and beg, borrow or steal the money to give away, I am ousted, cussed, discussed, boycotted, talked to, talked about, lied about, held up, held down and robbed until I am just about ruined.

The only reason that I am clinging to life at all is to see what is coming next.

Yours truly,

I. AM. ONE.

The May Alumnae meeting will be held on May 16, 1933, on Main 11, at 7:30 P.M.

The week of June 4th will be Commencement week for St. Luke's Hospital School of Nursing. The Baccalaureate service will be held at Grace Church on the evening of June 4th and the Graduation services will be held at St. James Church on the evening of June 8th.

Instead of the annual luncheon which the Hospital has given for the Alumnae, we are planning this year to hold a tea. This will probably be planned for the afternoon of June 9th. Other affairs for members of the graduating class will be planned during the week but it is too early for us to state just what these social functions will be. Members of the graduating class will be advised of this whole program as soon as our plans are completed.

We are extending a most cordial invitation to all alumnae of the School to return for our Commencement affairs. During the following week, the National League of Nursing Education will meet in Chicago and we anticipate having a large attendance.

There will probably be a good many St. Luke's nurses returning to Chicago and it will be possible for them to attend the Commencement affairs of St. Luke's Hospital just a few days before attending the meeting of the League.

Many St. Luke's nurses may be in the city this summer attending the Century of Progress Exposition and we extend to them a most cordial invitation to visit us while they are in the city.

Very sincerely yours,

Ada Reitz Crocker
Director School of Nursing

The 39th Annual Meeting of the National League of Nursing Education will be held in Chicago, June 12th to June 15th, inclusive, at The Drake Hotel.

We want all GRADUATES to plan on coming to THE FAIR and GRADUATION between the dates of JUNE 8th and 10th.

Dr. L. L. McArthur is a patient at St. Luke's.

"Going-out" services have been held in Grace Church this month for the following students: Margaret Anderson, Mae Blatti, Georgianna Cizek, Doris Jonas, Ruth Jorgenson, Marion Keck, Elizabeth McCarthy, Ruth McCoy, Mary Mussen, Margaret Noel, Marion Phillips, Ruth Rantz, Sarah Roberts, Mary Stone, Beatrice Swangren, Esther Waller, Pansy Woodworth and Emelia Zimmerman. Miss Waller has accepted a position in Bloomington, Illinois and Miss Swangren has a position as office nurse in a physician's office in Maywood, Illinois.

On February 24th a Benefit Dance and Bridge Party was given to raise funds for the hospitalization of one of our recent graduates. The Interne's Orchestra, directed by Dr. Flannery, furnished excellent music for dancing. About three hundred guests were present and the Benefit was a huge success.

Miss Elma Myers has resigned her position as general duty nurse on Main 7 to take a post-graduate course at the Chicago Lying-in Hospital.

Miss Lillian Himottu left Chicago on February 18th to go to the Valmore Sanatorium in New Mexico. Letters from her indicate that she is well settled and happy in her new surroundings.

On February 1st a class of twenty-six preliminary students entered the school.

We extend our deepest sympathy to Miss Grbac in the loss of her father and to Miss Kintner in the death of her aunt.

Miss Ruth Cole has been called home by the serious illness of her sister and Miss Lord is home due to the critical condition of her brother and her father following an accident.

Several of our Staff nurses attended the interesting joint session of the Council on Medical Education and Hospitals of the American Hospital Association and the American Conference on Hospital Service which was held in the Grand Ball Room at the Palmer House on February 14th.

Eight of the Staff nurses were the guests of Mrs. Gary at the luncheon of the Central Council for Nursing Education at the Palmer House on February 14th.

On February 26th the Y. W. C. A. of St. Luke's Hospital School of Nursing had an interesting excursion to the south side of Chicago. The trip included stopovers at the University of Chicago Campus, attendance at the Musical Vespers, the University of Chicago Chapel; supper with Miss Barnes acting as hostess

and a concert of a negro choir of 100 voices at the Metropolitan Community Center.

On March 1st the Y. W. C. A. gave a party for the preliminary students. Miss Kathleen McArthur gave an informal talk on current topics of the day. Following her talk refreshments were served and the remainder of the evening was spent in dancing.

On February 27th Mrs. Crocker and Miss Shannon were the guests of the Hamilton Park Junior Woman's Club. Mrs. Crocker gave an interesting talk on "Women in Scientific Fields."

Miss Dorothy McHugh is spending her vacation in Milwaukee and in Minneapolis and Miss Dorothy Ross is visiting in Sycamore, Illinois.

Miss Alice Schwedler is spending her vacation with Miss Gertrude Sillar in Los Angeles, California.

A large group of our staff nurses have been attending the course of lectures on Tuberculosis and Public Health given under the auspices of the Chicago Tuberculosis Institute and the Illinois League of Nursing Education. The course has included the following lectures: "The Essentials of a Tuberculosis Program," by Mr. H. E. Kleinschmidt; "The Social Aspects of Public Health" by Professor William Byron; "The Present Status and Future Trends of Public Health" by Dr. W. A. Evans; and "The History and Progress of the Tuberculosis Movement" by Dr. Philip P. Jacobs.

We wish to extend our deepest sympathy to Miss Alice Anderson, 1935 B in the death of her father on April 1st.

Many of the staff attended the March meeting of the Illinois League of Nursing Education which was held at 8 S. Michigan Avenue on March 24th. Miss Alma Gault and Mrs. Jennings read papers on "The Outpatient Department and The Social Service Department and their Value to the student nurse."

Going-out Services have been held in Grace Church for the following students this month: Dorothy Bridger, Harriett Divet, Mae Ernst, Ruth Morgan, Lillian Olsen, and Edith Slindée. Miss Divet is doing general duty on Main 7 for a few weeks and the other students are at their homes.

Miss McArthur spoke on "Snap Shots of Yesterday" at the March Y. W. C. A. meeting. About thirty-five guests were present. Following the address, refreshments were served and a social hour enjoyed.

VISION

Grace Noll Crowell

If we could see beyond a present sorrow,
Beyond a present grief, as God can see,
We would be braver, knowing some to-
morrow

Would still hold happiness for you and
me.

If our blurred eyes could see beyond their
weeping

The sunlit hills that some day we shall
climb,

We would be stronger, and we would
be keeping

A tryst with Hope through every darkened
time.

If we could see beyond a fresh disaster,
The road smoothed out before our eyes,
We would be calmer, and we would learn
faster

The lessons life unfolds to make us wise.
We are so blinded by a moments grieving,
So hurt by any sorrow—any pain,
That we forget the joys, beyond believing,
The peace that some day will be ours
again.

Excerpts from a letter written Miss Gooch from Margaret Mathis, Class 1921, from Long Beach, California, dated March 15, 1933;

"We are all fine—none of us are hurt, nor our house. All three of us (Alice Berryhill, Erma Mathis and M.M.) have been on disaster relief Red Cross. We spent the first nite of the quake on duty in Long Beach in charge of a big tent, trying to get people to lie down and keep warm and be calm. The park around the Library was taken for a camp for refugees. Injured or ill were taken to the Hospitals—the overflow taken to Los Angeles. Erma is in Long Beach, every nite makes rounds of all camps, checks nurses in and out. She is Miss Swope's (State Chairman) assistant.

Alice and I are in Headquarters Tent. I am nurse in charge of the station at nite. We have a radio etc. so we get first hand information. The known dead in the entire area is 147. Everything is recovering now.

Just a word about our St. Luke's Dinner. Had a grand time and everyone enjoyed it. We voted to meet twice a year."

We know that the Misses Mathis and Berryhill are doing all in their power in helping the unfortunate who have suffered in the quake.

Graduation exercises will be held June 8th, Tea, June 9th and a SURPRISE on June 10th.

The following notice of the tragic death of Gladys Fraser, Class of 1922 was sent by Gladys Agar Stark, of the Class of 1925.

1922—Gladys C. Fraser, 33, one of the nine women who lost their lives in the Ridgecliff sanitarium fire at Wicklife, Cleveland, Ohio suburb, was a daughter of Mrs. Catherine Fraser, 920 Court street, and was a former resident of the Sault St. Marie.

Miss Fraser had been a patient at the sanitarium since 1924 when she suffered a nervous breakdown.

The fire in the sanitarium started in the basement.

Miss Fraser was born in Woburn, Mass., in 1899 and came to this city with her parents in 1910. She was a graduate of the Sault High School in the class of 1918 and later was graduated from St. Luke's Hospital in Chicago. She suffered a nervous breakdown in 1924 and had been at the Ridgecliff sanitarium since that date.

She is survived, besides her mother and sisters, Mrs. Harry W. Colenso and Gladstone and Mabel C. Fraser, and by one brother, Ronald M. Fraser, of Cleveland.

The body was cremated at Cleveland. Burial was in the family lot at Pine Grove cemetery.

A theory of incendiarism advanced even before the bodies of the women psychopathic patients were removed from the ruins was dismissed as unfounded by Val Hafner, district state fire marshal. He said either defective electric wiring or an overheated furnace flue probably caused the blaze.

BIRTHS

Mr. and Mrs. A. Matteson (Affa Loft 1928) announce the birth of a son, born December 5, 1932 in New York City.

THE DELANO MEMORIAL NEARS COMPLETION

In the studio of Dr. R. Tait McKenzie, Philadelphia, the artist's extraordinarily fine conception of the spirit of nursing stands complete and ready for casting in enduring bronze. No photograph could perfectly portray the nobility of the figure, but our illustration shows quite truly that the dream of those who have labored since 1920 to bring a worthy memorial into existence has come true. Vision, courage, fortitude, capability, and an extraordinary fluidity of line that gives the sense of readiness for service—all are there.

When the whole memorial is completed, the figure will appear to be stepping forth from a recess in the central portion of the memorial, on either side of which will be marble benches above which will be carved two verses from the Ninety-first Psalm:

Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day;
Nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday.

Below the figure will be the inscription

TO JANE A. DELANO
AND 296 NURSES—
WHO DIED IN THE WAR
- 1914-1918

At the back, below the Red Cross which is to be carved in bas relief, will be the all encompassing line,

BLESSED ARE THE MERCIFUL

The Memorial will be placed facing the open side of the beautifully landscaped square in Washington, which is surrounded on three sides by the white marble buildings of the American Red Cross. It will face the handsome building of the Daughters of the American Revolution. In all our glorious country there is no more perfect nor appropriate spot for it than this.

Plans for the Memorial have necessarily been of slow development for the site could not be made available until the chapter building and the office building of the Red Cross, which form the square were completed. It has been well worth waiting for this perfect site for a memorial which is both emotionally and esthetically so deeply satisfying.

Keep us, O God, from pettiness: let us be large in thoughts, in word, in deed.

Let us be done with fault-finding, and leave off self-seeking.

May we put away all pretense and meet each other face to face—without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things: Make us to grow calm, serene, gentle,

Teach us to put into action our better impulses, straightforward and unafraid.

Grant that we may realize it is the little things that create differences: that in the big things of life we are at one,

And may we strive to touch and to know the great, common woman's heart of us all, and,

O, Lord God, let us not forget to be kind.

Mary Stewart.

"The essential idea for which the International Council of Nurses stands is self-government of nurses in their associations, with the aim of raising ever higher the standards of education and professional ethics, public usefulness, and civic spirit of their members. The International Council of Nurses does not stand for a narrow professionalism, but for that full development of the human being and citizen in every nurse, which shall best enable her to bring her professional knowledge and skill to the many-sided service that modern society demands of her." Mlle. Chaptal.

The International Conference of Catholic Nurses at Lourdes on July 18th promises to be one of great interest. The Bishop of Lourdes through our President, Father Garesche, has invited the Catholic Nurses of the world to this meeting. American Nurses are sailing on the Majestic from New York on June 30th.

1896—Annie Lawrie is leaving us, we hear, but that is really all the Press Committee can gather. We have inquired. We did hear that the "Lawries were motoring to Florida" and that a terrible accident befell them. One of the members of the Press Com. has heard that "Annie Lawrie" is in town but we do not seem to get further information.

Since writing the little we knew about Annie Lawrie we hear that she once attempted to reach Miami, Florida, in February, being stopped by an auto accident which necessitated her return to Chicago—now tells us that she is leaving to make her home there with her brother and sister-in-law. She will be missed by us all. As head of the First District Emergency Nurses Relief Committee, she has endeared herself to everyone. We wish her great happiness and GODSPEED.

1899—Adda Eldredge has been selected by the A.N.A. Board as one of four alternates to represent our Country in the voting body of the I.C.N. in Paris and Brussels, in July.

1910—Nell McClintock has been transferred from the Cheyenne Agency to Crow Creek Agency, South Dakota.

1915—Ella Best has taken over the work of Secretary on the Isabel Hampton Robb Memorial Fund Committee.

Mrs. Jessie Macdonald had an Appendectomy in February and was back in her office one week after the operation.

1916—Ebba Peters writes that she is employed in a small private Laboratory in Tacoma, Washington. She gets homesick for our city, now and then and says that perhaps Fate will be kind enough to send her East in 1933.

1917—Alberta Beaton Clemmer of 1165 Second St., San Pedro, Cal. sends kindest thoughts and good wishes for every thing connected with dear old St. Luke's.

1919—The Alumnae extends their sympathy to Edith Beyer Heath in the death of her Mother, in February, 1933, at her home in Minnesota. Mrs. Heath accompanied the body of her Mother to the old home in North Dakota, where burial was held. Mr. and Mrs. Heath are visiting in Ah Gwah Ching, Minn., before returning to Chicago.

The Class of 1919 held a Reunion Luncheon at The Davis Tea Room, March 25, 1933. The following attended; Ethel Roose Henken, Mary Fairbairn Boulby, Edith Schlagter Johnson, Anne W. Smeltzer, Leona Brall Fitzmaurice, Rae Saville Oksnevad, Mrs. Ella Saville (guest) Edith Sweet, Emma Werner, Minnie Young and Nell Beeby.

1920—Becky Riley has spent the last three weeks, visiting her sister in Detroit and her classmate, Mrs. Keeler (Kay Anderson) at Albion, Mich.

Margaret Jackson has spent the winter at Ashcroft, B. C. nursing her Mother through a very serious pneumonia. Margaret is now enjoying "Springtime in the Rockies."

1922—Henrietta Froehlke is running on the ticket of the National League of Nursing Education, as Director.

The Alumnae extends its sympathy to Margaret Farrar in the death of her Mother on April 1, at her home in Canada.

Rita Castle is taking a Post-Graduate course at Children's Memorial Hospital.

Marlys Shaw returned from her home in South Dakota, March 1st, after spending the winter there.

Edith Gustafson had a Birthday Party for Rita Castle, at her Apartment, on March 10, 1933. Those present were Ruth Kirkham, Merle Evans, Mary Hind, Clara Piltz and Carrie Woods. The afternoon was spent playing Bridge.

1925—The Alumnae extends its sympathy to Marjorie McDougall DeBore, in the death of her Mother on March 25th. Burial was made in Canada.

1926—Lucille Eschenbach is in the United States Government Indian Service. She is stationed at a Hospital in Shiprock, New Mexico.

1927—Emma Gross, who is attending Columbia University, this year, is expected back at St. Luke's about June 1st.

1928—Edith Couzens spent the month of January in California.

The Alumnae extends their sympathy to Norma Rach, in the death of her Father.

1929—Vera Johnson is taking a Post Graduate course at Lying-In-Hospital.

Ruth Williams has just completed a post-graduate course in Obstetrics, at the Chicago Lying-In Hospital.

Ella Dunlap who has been in the Rock Island T. B. Sanatorium, since last summer, is progressing rapidly. She is enjoying her work on

"Cheerio," the patient's paper, of which she is Editor-in-chief.

1932—Marie Sutter has a position in a Hospital in her home town, in Wisconsin.

1933—Dorothy Bliss has a position in Kewanee, Illinois.

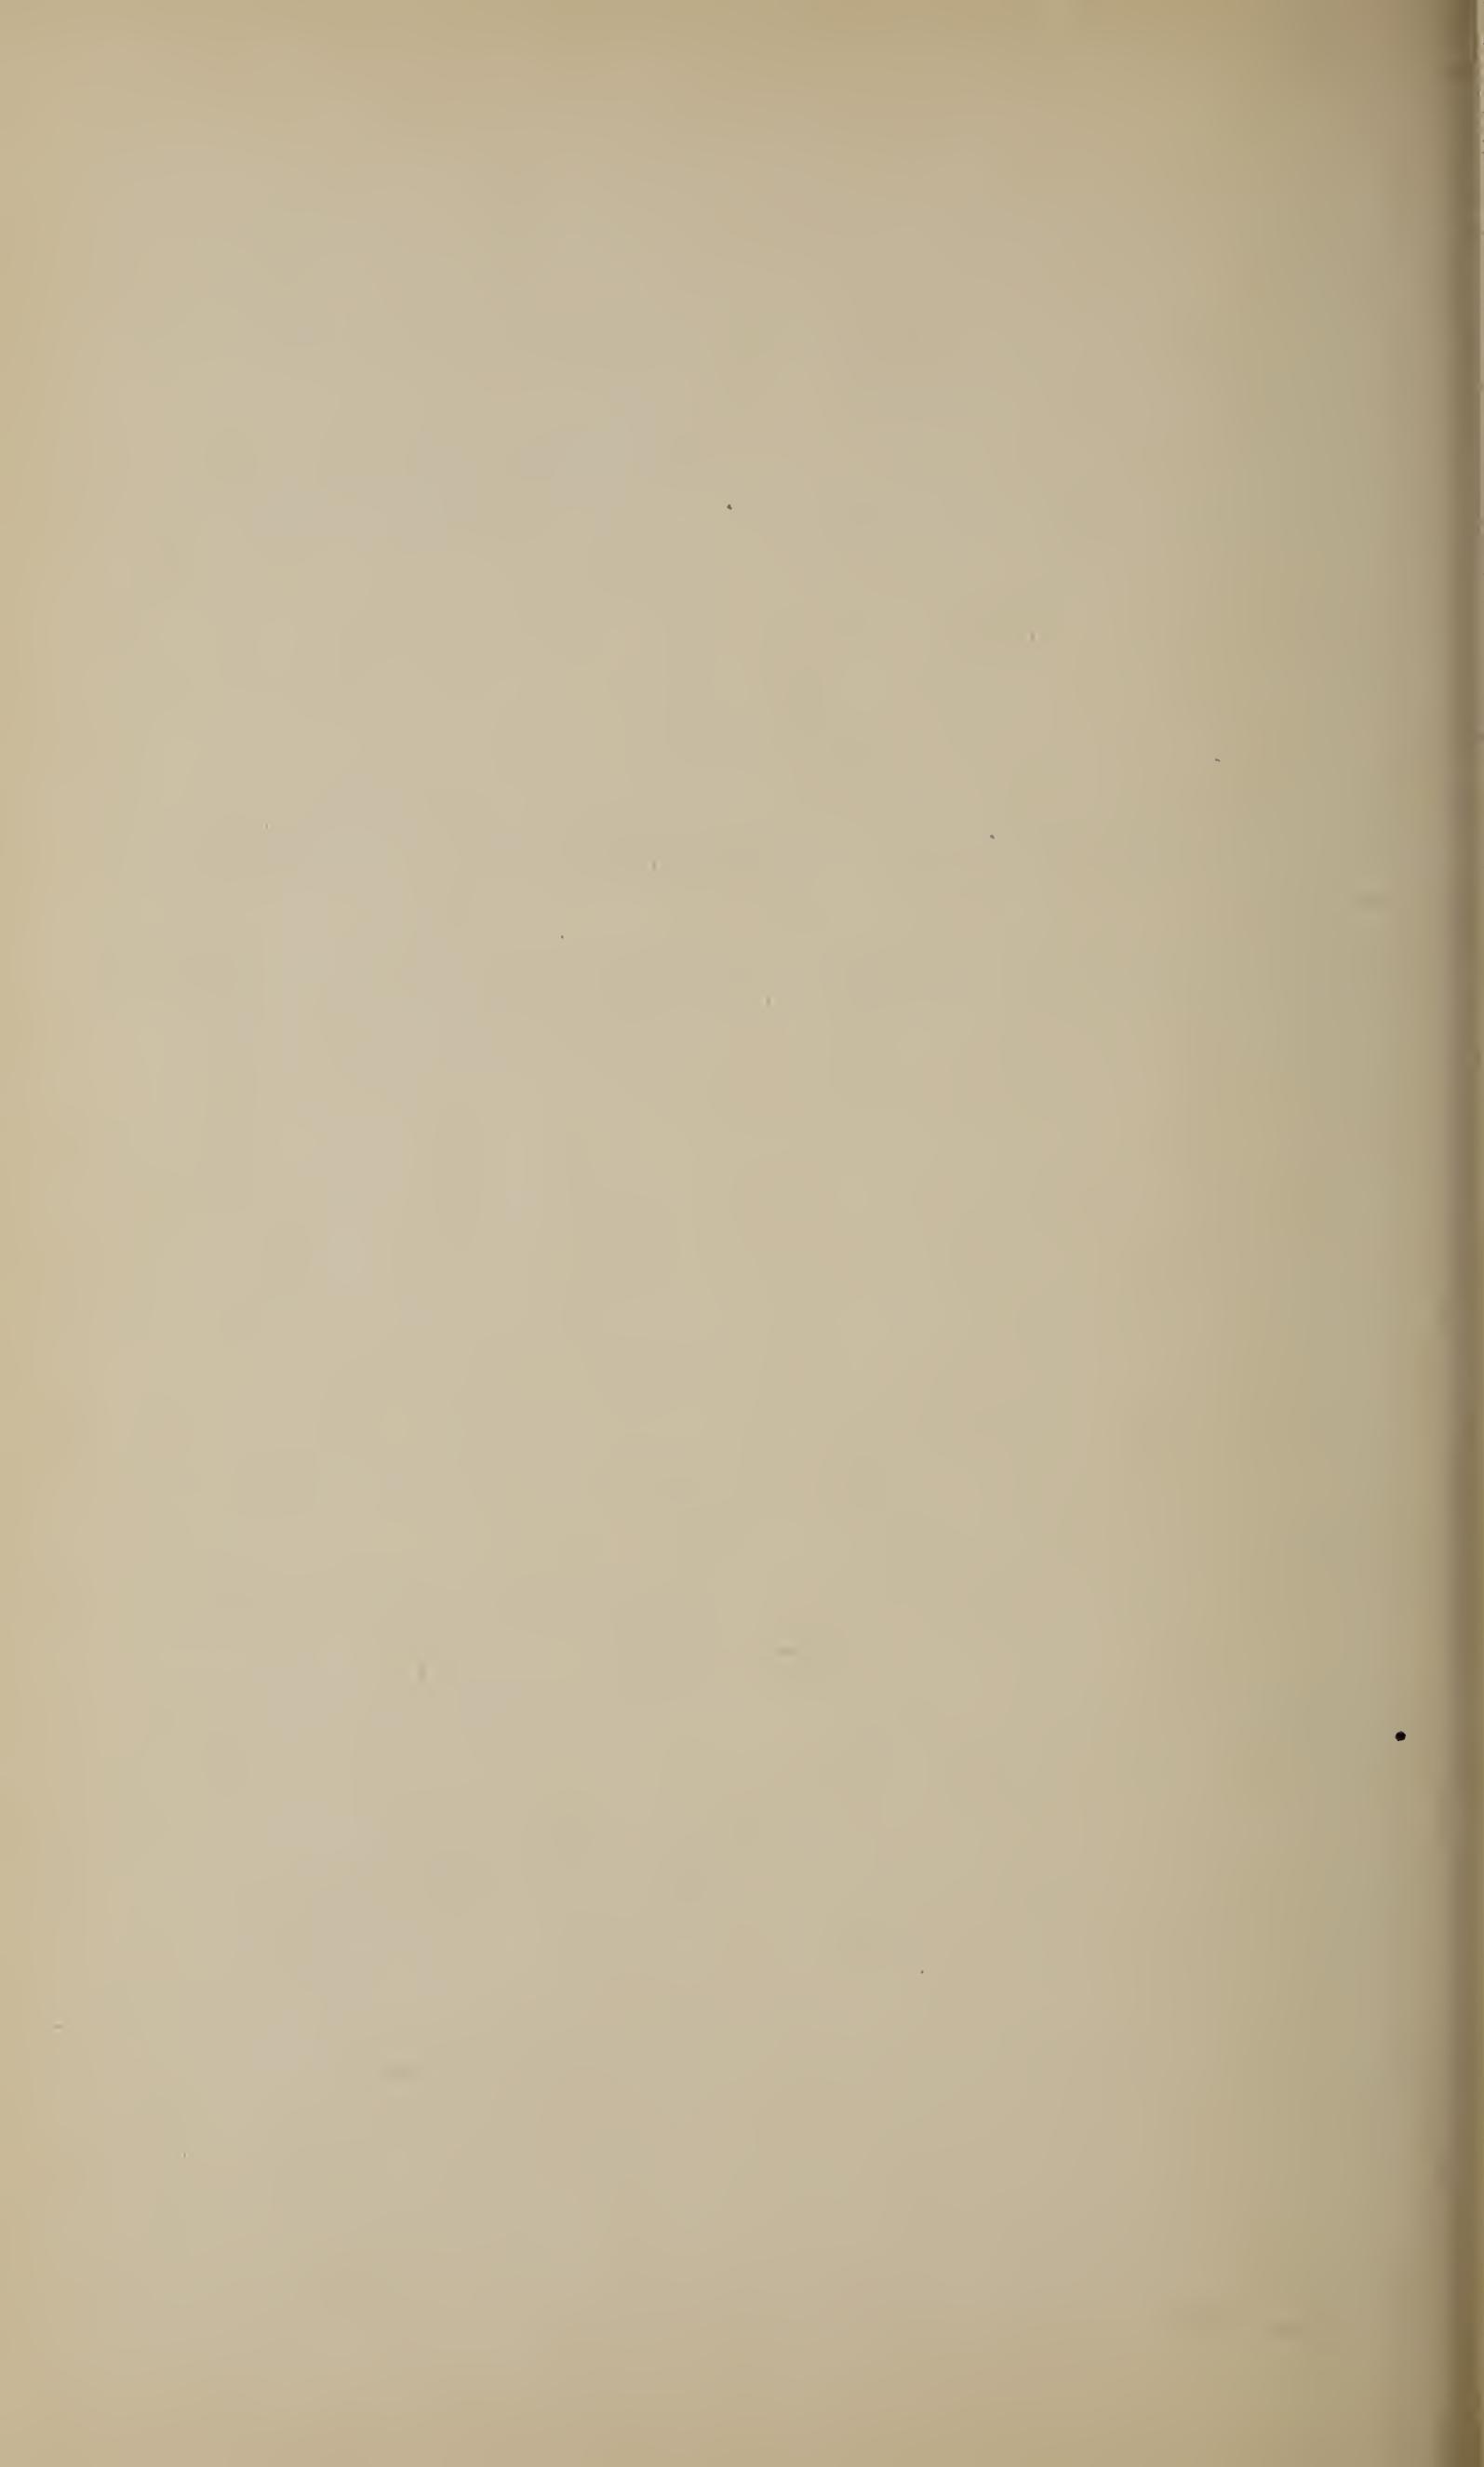

Lillian Olson and Mae Ernst are doing private duty, in Decatur, Illinois.

NOTICE

The Board of Directors of the Alumnae needs the advice of every graduate of St. Luke's Hospital Training School for Nurses. What can you suggest that will be of interest and benefit to all?

If you know of any member of the Alumnae Association who is not receiving the Alumnae Journal, will you please write her name and address in the space below and mail to Ellen A. Rattle, 301 No. Prospect Ave., Park Ridge, Ill., together with news item.

Miss Saline reported the findings of the Special Committee for arrangements for the Annual Banquet. The question of where the Banquet should be held this year was put before the meeting and resulted in a unanimous vote in favor of holding our Banquet at The Century of Progress.

The Secretary called the attention of the members of the Association to the fact that there are still several issues of the "Alumnae" missing from the files and asked that any one having these issues and willing to give them to the Association send them to her.

Miss Fulmer then greeted our guests, the nurses of Mercy Hospital Alumnae Association, and the meeting was turned over to Miss Ethel Lucas, Chairman of the Public Health Committee.

The program included two piano solos by Miss Eskilden, student nurse, and an address by Dr. Douglas Campbell, of the University of Chicago. Dr. Campbell's subject was "Mental Hygiene."

After the program the meeting adjourned to the Lounge, where refreshments were served.

The June Issue of our Journal will be the last issue until October. If you are planning on a visit, let any member of the Press and Publication Committee hear about it. Or if you hear of anybody else vacationing, let us hear of it. We need NEWS for the OCTOBER issue.

On October 17, 1933 the Fall Alumnae season will open. Plan, one and all, to make this meeting worth while. We need each members co-operation. There is nothing more disheartening to see a hand full of people at our BIG ALUMNAE meetings.

The Chairman of the Press and Publication Committee wishes to thank everyone who sends in NEWS ITEMS. It is a great help to get items of interest and it also shows that there are many who enjoy their Journal.

The following poem was written by Minnie Wilbur, Class of 1890, forty years ago;

"THE VANISHING WHITE CITY"

Now are the peopled vistas like a dream—
Hushed all the streets, deserted all thy halls.

Winter spreads out her snowy cloak in pity

And seeks to cover o'er thy spectral walls,
Thy palaces besides thy placid stream,
O silent, grand and dearly loved White City.

Dearly we loved each massive sculptured pile—

Each column, pillar, dome and minaret—
Towering by day so eloquent, majestic.
Dearly beloved and never can forget
Thy noble statues, arches, peristyle—
Gleaning by night on earth e'er won a fairer name,

All lands unite in songs of praise to thee,
Columbia's Pride and Triumph of the Ages,

Long will thou stand within our memory,
Undimmed by time and passing on to fame

Be one great landmark in our history's pages.

"I don't think much of a man who is not wiser today than he was yesterday."

Abraham Lincoln.

"If wrinkles must be written upon our brows, let them not be written upon the heart. The spirit should not grow old."

FAREWELL PARTY

"And 'twas there that Annie Lawrie
Gave me her promise true."

Amid dainty assorted sandwiches, delicious fancy cakes and lovely Spring flowers, Annie Lawrie bade farewell to her friends, the occasion being a farewell surprise party, given by the First District and St. Luke's Alumnae on April 25, 1933, on Main 2 at St. Luke's Hospital. And was "Annie Lawrie" surprised? The evening was spent in visiting and a few old songs were sung. As a parting gift, Annie Lawrie was presented with a beautiful clock and a beautiful all white lamp, both gifts being just what she wanted, in fact she helped select the clock and lamp, not knowing they would be her very own. Miss Lawrie is leaving for Miami Beach, Florida, where she will make her home with her brother and sister. She will be greatly missed as she has been a very active member and beloved member in her profession.

We all hope for her happiness and good fortune in the future and trust that she will come back to see her old friends whenever possible.

Going-out services were held in Grace Church in May for Blanche Lindsey, Pauline Reniff and Martha Zook.

On May the 19th a benefit dance was given on Main Two to raise funds for the Medical Library on Main 18 and the Nursing School. A PRAYER FOR COURAGE

God make me brave for life,
Oh, braver than this!
Let me straighten after pain
As a tree straightens after the rain
Shining and lovely again.
God make me brave for life,
Much braver than this!
As the blown grass lifts, let me rise
From sorrow with quiet eyes
Knowing Thy way is wise.
God make me brave—Life brings
Such blending things
Help me to keep my sight,
Help me to see aright
That out of the dark—comes light.

Grace Noll Crowell.

WALTER BURNS SAUNDERS MEMORIAL MEDAL

The Walter Burns Saunders Memorial Medal was first awarded at the biennial convention in Milwaukee, June, 1930. This was a posthumous award to Miss S. Lillian Clayton. It is awarded at each biennial meeting of the A.N.A. Miss Mary Gardner and Miss Annie Goodrich have also received the medal.

The recipient of the award, according to the wishes expressed by Mr. Saunders, is to be a nurse who has made to the profession or to the public some outstanding contribution either in personal service, or in the discovery of some nursing technic that may be to the advantage of the patient and to the profession. The only kind of service excluded is that of writing. This nurse must be a member of the American Nurses Association.—Alma Gault, R. N.

The following Nurses have enrolled as Red Cross Nurses since January of this year:

Opal Ducker—Class of 1932
Audrey Lowe—Class of 1932
Gretchen Wilson—Class of 1932

Representatives of Presbyterian Hospital, Cook County Hospital and St. Luke's Hospital Schools of Nursing are preparing a History of Nursing Exhibit for the meeting of the National League of Nursing Education in Chicago in June. The committee representing St. Luke's is composed of Miss Harriet Fulmer, Mrs. Ada R. Crocker, Miss Carrie Woods and Miss Josephine Gilbert.

The regular meeting of the Private Duty Nurses Section of the First District, Illinois State Nurses Association, was held at St. Luke's Hospital, on Main 2 at 8 P.M. on May 23, 1933. Dr. George Coleman spoke on "The Function of the Nurse as defined by the Physician." Edna S. Newman, Director of Nursing of the Cook County School of Nursing, spoke on "Post Graduate Nursing as offered by the Cook County School of Nursing. The Senior Classes of our Schools of Nursing were guests.

The Industrial Circle will continue to meet at Headquarters on Thursdays until about the middle of July. Red Cross garments are needed and everyone is invited to come and spend a few hours and help to dispose of this work. Your help and attendance will be very much appreciated.

PRIVATE DUTY NURSES SECTION

If this is the age of frankness and the period of facing facts, why don't we private expose and weaknesses among ourselves, and by doing so, be able to eliminate some of them.

As we all know, our field is overcrowded and constantly being made more so, by those who have dropped back into it from other positions or for economic reasons. Because of the scarcity of other positions open at present, recent graduates follow the line of least resistance and register for private duty cases. This all tends to make our branch of nursing a dumping ground, lowering the quality of service and taking the work away from those who have made it their life work. Although it may be true that any nurse who graduates has a perfect right to nurse, does that mean that she must always be accepted into our private duty group? If other branches of nursing are carefully choosing their applicants, why don't we make of our requirements a little higher? Just because it has never been done before is no argument.

There have been some suggestions made, as to ways and means of accomplishing this, but they all require the co-operation of the Private Duty Group. If each nurse would attend a meeting once in six months, much could be done. Not talking between ourselves, criticizing Hospital authorities and management, will never get us any where. We have our Alumnae to help us, and with constructive ideas to offer the Hospital, no doubt it in turn would co-operate with us.

Our four weeks of Volunteer Nursing which we offered St. Luke's during the year 1933, has had national recognition. Let's not spoil it by petty fault-finding, and hope that we will benefit by it in the end.

Mary Everett,

Chairman of the Private Duty Forum.

Organization of private duty nurses through the state and country in a well-knit unit able to take its rightful place in directing the destinies of American nursing is rapidly becoming more than a dream.

Graduate nurses realizing the tremendous possibilities for benefits both to themselves and to the public which employs them, are welding a chain, link by link, through co-operation between private duty sections in many districts of the state.

The battle, however, has just begun. New fields to conquer are opening every day and every local, district or state convention raises problems which the private duty group, largest in the entire profession, should have a hand in solving. There is only one way to arrain this end, namely, every district should organize its private duty group at once, elect a chairman and above all, send a delegate to the district and state meetings. In this way and in this way only will the special problems of private duty nurses be worked out, whether it be a question of hours, wage scale or legislation imperiling their professional status.

There is scarcely a problem so local that its effects do not reach far beyond the boundaries of their own particular group and organization provides the opportunity to do something about it.

The next state convention will be held at Chicago from October 11th to 14th, 1933. A lot of things of vital importance to every private duty nurse will be discussed at this time. Legislation pending before the Illinois assembly is one of them. What private duty nurses think about it, if presented with all the power of the entire group behind it, will have weight with the legislators.

Many districts are already organized. If the private duty nurses in other sections are not yet organized they should get in touch with the state or district officers and find out the necessary procedure for organization. And, above all, remember, that only by cooperating with every other district and local group, can any thing be accomplished.

Mrs. Crocker attended the Commencement functions at her "Alma Mater," The University of Iowa Hospital, at Iowa City, during the first week of June.

Why do not more members of St. Luke's Training School for Nurses, belong to their Alumnae? We have a very small percentage out of 1472 graduates belonging to the Alumnae Association. Nurses who have a steady position should belong to their Alumnae Association. Please join and help swell our numbers and be at our meetings. It is every St. Luke's Nurse's DUTY to belong to her Alumnae Association, if it is a possible thing. We urge each and every member to help get new members. JOIN NOW! THE DUES have been REDUCED. Send remittances to Helen McNab, 1206 Elmwood Avenue, Evanston, Illinois.

COMMENCEMENT

The Junior-Senior Dance in the Florentine Ball Room of the Congress Hotel on June 2nd marked the beginning of the Commencement activities. Music was furnished by Lew Diamond's orchestra.

On Sunday, June 4th The Baccalaureate Service was held in Grace Church. The Rev. William Turton Travis gave a very interesting talk on "Talents."

The Annual Senior picnic was given at The Dunes. The class and other guests enjoyed an afternoon spent in swimming, hiking and playing games.

Impressive Commencement Exercises were held in St. James Church on June 8th. Mrs. Crocker presented the class and the diplomas were conferred by Mr. Wordell. The badges were presented by Rev. Travis and Mrs. Crocker announced that the Harriet Fulmer Award had been won this year by Miss Georgianna Cizek who had a scholastic average of 93 plus for the three years. The Rev. Dudley S. Stark, Rector of St. Chrystostom's Church gave an informal talk on the value of a sense of humor. Following the church services a reception was held on Main Two for the graduating class and their friends.

The Homecoming Tea and Reception for the alumnae and the graduating class was given on Main Two on Friday from three to five o'clock. About two hundred and fifty to three hundred of the alumnae were present, many from distant states. Five of the 25th Anniversary Class—1908—: Mrs. Moss from Ohio, Miss Bulkley from Michigan, Miss Ream from California and Miss Hettie Gooch and Mrs. Rider from Chicago were present. The Banner was presented by Miss Leddy, 1933 to Miss Wham, who was chosen as the Standard Bearer of the 1934 class. The Alumnae enjoyed renewing old acquaintances and meeting the present graduating class.

The Alumnae Banquet was held at the Mueller Pabst Cafe on the Century of Progress grounds on Saturday evening, June 10th. The 1933 class and the class of 1908 were the guests of the Alumnae Association. Over three hundred graduates were present, many back for the first time since graduation. Representatives were present from almost every class from 1893 to 1933. Everyone enjoyed a hilarious and thrilling evening in the very pretty and unusual surroundings and almost all of the guests took advantage of the opportunity to visit the Fair following the banquet.

CLASS OF 1908

The evening of June 8th H. Gooch gave a dinner to her four class mates assembled for their reunion, at the Sothern Tea room, following which they attended the graduating exercises at St. James Church, then on to the hospital for the reception.

June 9th after attending the Tea on Main 2 given by the hospital to the Alumnae from 3 to 5, they were taken over to Children's Memorial Hospital where H. Gooch entertained them at dinner, later taking them to the Auditorium to a concert.

June 10th the five members, Mrs. Moss, Mrs. Ryder, Miss Bulkley, Miss Ream and H. Gooch were guests of the Alumnae at a dinner given at the Pabst Mueller Cafe on the grounds of a CENTURY OF PROGRESS.

The class of 1908 had 15 graduates, Miss Welch passed away in 1924. Of the remaining 14 7 are married, 1 is in business, 1 retired, 5 are in active nursing service, consisting of 1 school nurse, 2 public health, 1 institutional, 1 private duty.

They are scattered in 6 States and 3 Countries, Canada, France, and Italy. 1933 Class is the 48th class to graduate, including this class of 71, St. Lukes has graduated 1472 nurses.

The following classes were represented at the Dinner on June 10th:

October Meeting

October 17, 1933 - 7:30 P.M.

Harriet Fulmer to give an interesting
talk on "The International Congress" in
Paris, France.

Everyone Is Welcome

MAIN II

Don't fail to be present at the October Alumnae Meeting on October 17, 1933—Main II.

Miss Harriet Fulmer—is going to give a very interesting talk on the International Congress. She is going to have pictures, which were taken on her trip and from some of our members, who have had the pleasure of hearing her tell of some of the meetings etc. which she attended, her talk will be most fascinating and interesting. We are looking forward to a large attendance—So hear all about the International Congress—We are sure, that we will almost feel as though we had been there. Miss Fulmer has given eight lectures to various groups, since her return—Knowing Miss Fulmer's ability to make her TALK one to be remembered, we are looking for a LARGE CROWD.

REPORT OF RELIEF COMMITTEE

Marcella Shatusky was admitted to 704, May 29th, for Observation. One of our new cards was sent to her but not acknowledged. She was discharged June 9th.

We received a letter from Dr. Ralph Hinton at Manteno State Hospital on June 12th, informing us that Miss Eva A. Mack was in a critical physical condition, and advising an early visit to the Hospital.

We regret to announce the death of Annie D. Cahill of the Class of 1896, in Macon, Illinois. We did not hear of her death in time to send flowers, but a letter of sympathy was sent to her sister.

Respectfully submitted,
Kathryn Gruber.

SCHOLARSHIP FUND

Attention—

Attention is called to the Alumnae, to the fact that the Scholarship Fund is available to any member of the Alumnae in good standing. We urge members to take advantage of the Fund for Post Graduate Work. This is a wonderful opportunity and we hope that graduates will avail themselves of this splendid offer.

JOIN THE RED CROSS!

Out of our large Alumnae membership, we should have more nurses that are Red Cross Members. It is shocking to know the small percentage of our Alumnae that are members of this fine and worthwhile organization. Enlist Now — The Red Cross needs YOU as a member.

THE YEAR BOOK—1933

A copy of the 1933 Year Book has been given or sent to every member of the Alumnae Association and also to every Alumna who attended the Graduation week functions. If you did not receive your copy, send your correct address to the Treasurer.

On Monday, September 18th and on Friday, September 22nd, Groups of Hospital Administrators, who are at the University of Chicago, for the Institute for Hospital Administrators, were taken on conducted tours through the Hospital. There were Administrators from every State of the Union—and St. Luke's was delighted to have them come here. The Institute is an innovation this year. About two hundred (200) have registered. Monday, the group was interested in Nursing Education (approximately thirty-five (35) were present). After the tour, Mrs. Crocker, invited them to the Lounge, where she answered questions. Tea was served.

On Friday, September 22nd the group, numbering seventy-five was interested in our Emergency and First Aid set-up in the Hospital. They were interested in our equipment and the various phases. After their conducted tour the group met in the Lounge, where tea was served.

The Secretary has a few extra copies of The Alumnae for certain months in the following years; they are available to any members who wish to pay postage for them: 1917—1919—1921—1927—1928—1929—1931—1932.

NOTICE

Blanche Traude (1920) has taken an Apartment at 1520 South Michigan Ave., Chicago and has accommodations for two or three nurses, at \$5.00 per week, per person, with kitchen privileges. It is very convenient to the Hospital. Nurses who register and then go to their homes, may be interested. Any nurse who may care to leave her uniforms etc. ready for next case, may do so. 1520 So. Michigan Ave. is directly across from The Carlton, think of Blanche Traude when looking for your next home.

Alumnae Journals cannot be forwarded. Uncle Sam will not forward any but first class mail without new postage, so if any of the Alumnae have moved won't you please send your new address to Ellen Rattle, 301 No. Prospect Ave., Park Ridge, Ill. NOTICE

If any of our Alumnae have any Historical material, which is interesting and valuable, won't you please send it to Nell Beeby or Carrie Wood or any member of The Board? Bring the material you have to the October meeting and give it to N. Beeby or C. Wood. We are planning to make a collection of valuable Historical material such as Bulletins, Pictures, Clippings, etc. to be left permanently in the Alumnae files. If every Alumna will help, we will have something of which we will be very proud. Help—Mail your contribution to any Board member. Let us make a success out of this venture—we need your co-operation.

The December Alumnae Meeting will be held on December 19, 1933 at St. Luke's Hospital at 7:30 P.M. A Christmas program. Make the last meeting of the year a BIG MEETING.

In women, courage and a majority of other good qualities are more highly developed than in men.—Arthur Brisbane.

Hospital day at "The Century of Progress" on September 16, 1933, at The Court of Hall of Science was most inspiring. About one thousand voices took part in the chorus, forty of whom were St. Luke's students and staff. The Nurses were in uniform, headed by the Red Cross Nurses. (Ten of our Staff, in the Red Cross parade) and the Visiting Nurses Association Nurses, the parade marched from 14th St. to the entrance of the Hall of Science. It was very interesting to see the various School uniforms. As always, The St. Luke's CAP stood out above all—as the most unique. There were students from all schools—Provident included. Mrs. Crocker assisted on the Arrangements Committee, in planning for the Nurses' part on the program. It was a truly beautiful and most inspiring meeting.

The following program took place on September 16, 1933 at the Hall of Science at Century of Progress.

ST. LUKE'S ALUMNAE IN FOREIGN NURSING

The Alumnae Association files contain some very interesting accounts of St. Luke's nurses who have done foreign nursing. They date back to 1897 and it may be that there were St. Luke's alumnae working in foreign countries even before this time. If you know of any St. Luke's nurse who should be included in this group, please communicate with the secretary and help her to make our files historically complete.

We shall not attempt to present these alumnae in their chronological order, but we believe that many St. Luke's nurses will be interested in these short sketches of St. Luke's Alumnae in Foreign Nursing.

EMMA GAULT—1909

Miss Gault, now Mrs. Charles A. Manderlert, graduated from St. Luke's Hospital School of Nursing in 1909, and in 1911 went to Honolulu. She was employed by the Kamehameha School for Girls as school nurse and athletic director from that time until 1913. This is a private school financed by the late Mrs. Bishop who was the last of the Kamehameha royal line and who married a white planter. The students at this school must be at least part native in order to attend. Miss Carolyn Foote, an earlier graduate of St. Luke's, had a similar position at the Boys' School at the same time.

In a 1913 issue of the Alumnae the following paragraph appears: "Miss Emma Gault who has held a position for several years at the Kamahameha School for Girls in Honolulu has resigned from her post and is returning to Chicago. Miss Caroline Foote is remaining at the Boy's School."

On returning from Honolulu, Miss Gault took a post-graduate course at Henry Phipps Institute in Philadelphia and following this she worked with the Rockefeller Hookworm Commission in Virginia. This work was under the "Red Cross Town and Country Nursing Service," with Miss Clement as director at Washington. Since Miss Gault's marriage to Mr. Charles A. Manderlert she has retired from active professional work and is now living in Chippewa Falls, Wisconsin.

In the December issue, an article of Gordo Wilson's experience in Alaska will appear.

THIRTY YEARS AGO

From "Annual Report—St. Luke's Alumnae Association—1903." As there was no adequate place at the Hospital, special arrangements were made whereby the lecture with stereoptican Village Care of the Insane, given by Miss Julia Lathrop at our January meeting was held in the Auditorium of Hull House. Through the efforts of a special committee in charge, a large number of guests were entertained at this time, the audience numbering two hundred and four. Such enthusiasm met with full reward, for the presentation of the subject was, in Miss Lathrop's own delightful manner.—Miss Anna L. Pearse, Sec'y.

This was at the time when Miss Lathrop, the first head of the Children's Bureau of the U. S. Department of Labor was fighting for more adequate and humane care of the insane. Mrs. Annie Fryar Hutchinson, Class of 1894 and President of St. Luke's Alumnae Association in 1901-1902, was associated with Miss Lathrop and Miss Jane Addams in the early development of Hull House.

Dr. Harold Bachman died very suddenly of Heart Disease September 21, 1933. He was a former St. Luke's Interne, a member of the staff of St. Luke's Hospital and an expert Pediatrician. He leaves to mourn, his wife and four children. Burial was made at Pinehurst, Sheboygan Falls, Wisconsin on September 24th. Dr. Bachman was loved and respected by all who knew him. The Alumnae extends their sympathy to Mrs. Bachman and children.

BEG YOUR PARDON

The class of 1914 was represented by six members at Alumnae Dinner at the Pabst-Muller Cafe, in June. A big O was recorded as their attendance. SORRY.

Josephine Anderson Hanger was in the Class of 1924, NOT 1902 as was in the June Issue.

Through a deeply regretted error, Miss Lois Cox name was omitted from the list of the graduates of the Class of 1919. Miss Cox is now doing Public Health work in Richmond, Indiana. Her address is 204½ South 14th St.

Members of the Alumnae have been very kind in sending in old and wanted copies of past years. If any one has any that have been previously listed in the Alumnae Journals, please send them to the Secretary.

THE PRESENTATION OF THE BANNER

In 1914 the Alumnae Association of St. Luke's Hospital decided to present the Training School with a banner to be carried in the procession at Commencement. The banner is a reproduction of the school pin, done on white brocaded silk. It was designed and embroidered by Miss Lillian Rein, of the Class of 1895. The cross which is on the banner, as well as on the pin, is a symbol of sacrifice; the rays behind the cross are symbolic of the light of the world through Christianity; the heart of compassion; the book, of the Scriptures. The Scripture reference, St. Luke, Chap. X, Verse, 9, reads "And heal the sick that are therein, and say, The kingdom of God has come nigh unto you."

This banner was first presented to the graduating class of 1914, and was carried at Commencement. Each year the school emblem is formally passed to the Senior Class of the school, by the graduating class of that year.

At the Alumnae Tea in June this year, Miss Rita Leddy, Standard Bearer of the Class of 1933, presented the banner to

the Class of 1934, with the following bestowal:

"The passing of three swift years finds us ready to become part of that vast organization, the Alumnae of St. Luke's Hospital. In reflecting upon our kinship we realize we are bound together by the same ideals of honor, sincerity and service. We have in common not only our caps, our cross, but this banner, representing to us the ideals for which generations before have strived, and have so nobly attained. It is with greatest pride that we, the Class of 1933, present this insignia, in all its beauty, to you, the Class of 1934."

Miss Rosemary Wham accepted the banner in behalf of the Class of 1934

"We, the Class of 1934, accept with pride this banner, which has been cherished throughout many years. We pledge ourselves to those same ideals of honor, sincerity, and service, which you who have gone before have so nobly upheld. As we embark upon our final year of training, we shall have this reminder of the unselfish service and achievements of our predecessors. It is with the greatest esteem that we shall carry forward this traditional emblem of our school."—

—A Member of the Class of 1934.

THE SURGEON

By Wilfred J. Funk

Now he begins, his fingers feel
 The tiny burning bit of steel;
 They move, obedient to a star
 Unseen by us; his sure hands are
 So swift that the swift hands of death
 Are held; there is one slender' breath
 Between the two, so delicate
 No calipers can measure it
 Save those he holds—I think there is
 No deed so near to God as his.

"THE ALUMNAE" FILES

Casperson, E. Werner, H. Young, E. Eastman and an anonymous member, since the last issue went to Press. We wish to take this opportunity to thank these nurses. There are still some issues missing. Will you look and see if you by chance, have any of them? Postage will be refunded.

December Meeting

December 19, 1933 - 7:30 P.M.

Christmas Musical

Help make the last meeting of the year
a success — Come
Everyone Is Welcome

MAIN II

The December Meeting is to be the last meeting of 1933. Try to be present. A Musical evening awaits. December 19, 1933 is the date.

CHRISTMAS

Over the world with outstretched wings,
The spirit of Christmas broods and sings.
Of happy, hopeful, helpful things
All for you and me.
Charity broad and wide and high
Love that reaches from earth to sky,
All of these gifts are free.
Then what do we care for the things
That tear and rust and fade and break
When love will keep
Till our last good sleep
And greet us when we awake.
Carrie Jacobs Bond.

St. Luke's Nurses were given quite an active part in making the St. Luke's Hospital Fashion Show, a success this year. Fay Morgan Gough, Class of 1921, was one of a group of Doctor's wives, belonging to the Woman's Auxiliary to sell tickets for the Chevrolet, at the Stevens Hotel. Marion Gehler and Marcella Shatusky, Class of 1932, sold tickets for the Chevrolet. Dallas Graham, Lillian Gustafson, Class of 1931, Blanche Littlejohn, Class of 1930, Ethel Bloomquist, Class of 1929, Emma Gross, Class of 1927. Sadie Rock, Class of 1932, Opal Rasmussen and Margaret Hamilton, Class of 1930, sold programs at the Fashion Show and were very attractively dressed in the Blue Student Uniform. Sixteen Student Nurses marched in the Senior Uniform.

The Class of 1922, deserves HONORABLE MENTION for attendance at the October and November Alumnae Meeting. Those present were—Merle Evans, Mary Hind, Rita Castle, Edith Gustafson, Clara Piltz, Ruth Moe Melgarde, Margaret Farrar, Carrie Woods, Clara Gemuencen and Ellen Rattle.

A meeting of the Board of Directors was called to order by the President at the Chicago Woman's Club, on November sixth, 1933, at 7 P.M. The following members were present: Misses Woods, Fulmer, Lowe, McNab, Sackett, Saline, Werner, Gruber, VanKoy, and Beeby. The following Committee Chairmen were also present: Misses Rein, Lucas, and Collins. Miss Rattle sent word that she would be unable to attend.

REPORT OF PRIVATE DUTY MEETING

A meeting of the St. Luke's Private Duty Forum was held on October 31, 1933, on Main 2. About thirty-five nurses were present.

A letter of appreciation for the volunteer services of the graduate nurses was read from Mr. Wardell.

A letter from Mrs. Crocker expressing her appreciation and that of the Board for the co-operation of the nurses, was read. The Board also asked whether the graduate nurses would be willing to offer the same service in 1934 as in the past year, since the same problem is confronting the Hospital again.

After a discussion of the subject, it was decided that each nurse should volunteer two more weeks in 1934, since it had not been necessary to call them for more than two of the four weeks, specified in the agreement, during this last year. Then if more assistance is needed the question can be brought up for further discussion and voted. It was also recommended that those who have not given their two weeks, be called first.

A discussion of an eight hour duty to replace twelve hour duty in the Hospital followed.

Statistics from Hospitals which have instituted it, showed that in most instances the nurse averaged more working days but less income. The opinion of St. Luke's nurses is that eight hour duty is impractical at present because of the low rate of pay and difficulty in convincing patients of its advantages. They felt too, that it would not help spread work. It was decided to leave the matter until a State Committee on Distribution of Nursing makes its report of the survey which it is doing this year.

The following officers were elected:

Mona VanKoy—Chairman

Clara Piltz—Co-chairman

Avis VanLew—Secretary

Names were suggested for the ticket of the First District Private Duty Section including one for Chairman—2nd Vice Chairman and three for the Board of Directors.

The meeting adjourned.

October 13, 1933

To the Volunteer Graduate Nurses of St. Luke's Hospital.

Personally, and in behalf of the Board of Trustees of the Hospital, I wish to extend appreciative thanks to the Volunteer Nurses who so efficiently and willingly contributed their services to the patients

of St. Luke's, and to pay tribute to their loyalty, cooperation and splendid spirit in assisting the hospital in these trying times.

With kindest personal regards, I am

Sincerely yours,

Charles A. Wardell

October 17, 1933

Miss Carrie M. Woods, President
St. Luke's Hospital Alumnae Ass'n.
Chicago, Illinois.

My dear Miss Woods:

During the past six months, 73 volunteer nurses have rendered 1,273 days of nursing service in St. Luke's Hospital. 14 of this number spent 28 consecutive days in service; each of the others were here for a period of 14 days. This service has been exceedingly helpful in maintaining a satisfactory nursing service and we have been very pleased with the co-operative spirit which has been demonstrated not only by the volunteer nurses but by the nursing personnel of St. Luke's Hospital.

Will you be kind enough to convey to your Board of Trustees my personal gratitude for the success of this plan. In view of the fact that the year 1934 probably will present the same type of problem, I am wondering if the Alumnae Association will be kind enough to consider continuing this program through another year.

I am sure the private duty nurses understand that we shall not in any way exploit their services and that as rapidly as possible the present nursing service will be supplemented with additional graduates. This plan is already in operation as we have added two general staff nurses and three part-time duty nurses who are receiving a small salary plus maintenance for one-half time duty.

Thanking you again for the loyal support of the members of the Alumnae Association, I am

Very sincerely yours,

Ada Reitz Crocker

Director School of Nursing

MEMBER OF THE CLASS OF 1911

Miss Elizabeth Lowry, 48, a St. Luke's graduate nurse and an Anaesthetist at St. Francis Hospital in Monroe, Louisiana, died in the North Louisiana Sanitarium on September 11, 1933, following a short illness. Miss Lowry underwent an emergency operation at the Sanitarium, a week before her death. Surviving are her Mother, Mrs. Edward Lowry of New Orleans and a sister, Mrs. Charlotte A. Barney, Supervisor of Nurses, at the North Louisiana Sanitarium. Miss Lowry was born in Lancaster, Wisconsin, and with

FROM DAILY TIMES OCTOBER 11,
1933

**CENTURY OF PROGRESS PROVED
TO SURGEONS**

"Here in this green-walled room is the core, the heart, the soul of A CENTURY OF PROGRESS.

It is on the 19th floor of St. Luke's Hospital. Its windows overlook the 20th Century locomotives steaming in the I. C. yards below, the patios, the courts, the flags, the pretentiousness of the world's fair.

In this room a human destiny is at stake. An operation in neurological surgery is about to take place. Here is represented the perfect blend of a CENTURY OF PROGRESS—the warmth of humanity and humaneness and the cold of detached science.

COME TO LEARN MORE—

The occasion is one of the Clinics of the American College of Surgeons where wise men have come to learn more. The patient is a man about 35 years old whose life has become intolerable because of a staggering gait, as of a drunken man, which has taken hold of him in the last three years. The operation is an "exploration of the co-ordination centers" of the brain that the trouble might be found and his life made normal. Dr. Eric Oldberg of the University of Illinois Staff is performing this most delicate of probings and sawings in the cerebellar region where the nerves are so bundled, massed and confused they bear numbers instead of names. Though this be progress there is no ostentation here. Let the flags wave over there on the Fair grounds, let human vanity parade. Here there is no vanity. There is no personality, no sex, no age. There are only eyes peering through white masks and nimble fingers and little silvery instruments.

ALL VERY TRANQUIL—

The visiting surgeons stand quietly on the elevated side of the room, ghostly figures shrouded in unironed, but sterile aprons, caps and masks. There are two men assisting Dr. Oldberg and four nurses. One nurse's sole duty is to stand by a pan of ice water and wipe away with a towel whatever moisture appears on the surgeon's forehead or neck. He doesn't seem con-

scious she is doing it.

There is no tension. Instruments are passed back and forth with the rapidity of lightning. Rubber gloved hands thread scores of needles, dip scores of instruments in fluids, toss swabs and tape across, line up rows of scissors. It is all very tranquil.

There is none of the wincing you might feel when tying up little Willie's finger. The back of the man's head is laid open but there is no pain. The area of flesh and bone where the surgeon is working is all you see of the patient. Again the feeling of cold detachment.

DISPASSIONATE VOICE.

With brace and bit and knife and pincers the doctor removes the large area of bone and penetrates through the inner membrane.

He probes through infinitesimal nerve fibers and arteries and muscles. Occasionally his voice comes dispassionately through the mask over his lips, muffled "I put the needle in the left cerebellar hemisphere and it seemed fibrose—the fifth, seventh and eighth nerves here are—the bone is about twice as thick as it usually is—a little tedious."

A CENTURY OF PROGRESS.

His comments mean little to the layman, much to the attending surgeons. Getting to the place he wants has taken more than an hour. A nurse has been sitting on a stool below the operating table, checking the patient's reactions, blood pressure every five minutes, respirations and so on. Within the reach are the "guns" or anaesthetic and other highly technical stimulants and sedatives. But there is no emergency use for them in this case.

Sometimes it takes more than two hours to close the cerebellum. It doesn't take Dr. Oldberg quite so long. More than 100 threads are inserted. His and his assistants, fingers move unerringly, minutely precise. There is no clatter-trap hurry, merely speed.

At the end there is a scar four inches across the back of the head. The man will wake up without a headache — A CENTURY OF PROGRESS.

A HOBBY—

The joy of Service, that is the hobby of Julia Dawson, Class of 1895 (who, when in training, was the roommate of our beloved Miss Johnstone) and who now, after years of direct caring for the sick in private duty work, is back on her native soil of Canada, finding outlet for her hobby in the Parish of St. John's Anglican Church of Toronto.

For six years she has held a self appointed job of systematically bringing spiritual and material comfort to the unfortunate. What a finer hobby. She has charge for the Parish of visiting and caring for the poor, the shutins, the cripples, the lonely, helping Mother with trials of child rearing, all those who need clothes, food or other material help, cheer and comfort for the weary and depressed, all so needful these past and present days of hard travel on life's pathway.—Last year, Miss Dawson made 520 visits besides her many other demands. She collected from Church members, and carefully dispensed, hundreds of garments and other necessities, after having divided them in parcels to best fill the needs of each particular person or family. She carefully tabulates lists of deserving children for Christmas gifts, and of families for Christmas dinners, and then sees to their proper distribution. Each year her Church people give her a "Shower" of jars, and cans of fruits, jellies, honey, soups, etc. which she distributes throughout the winter. Last winter, Toronto, with about 800,000 inhabitants, had 25,000 families on Relief. With other organizations engaged in welfare work, Miss Dawson co-operates. "The Star," a Toronto newspaper, each year provides from 15,000 to 18,000 boxes of gifts for Children, each containing a good sweater, mittens, stockings, a toy and candy. The Parish is large and Miss Dawson walks many miles before all are looked after. The Sunday School of the Parish has a "White Gift Sunday"—"White Gifts for the King," yielding dozens of packages done up in white paper and containing chiefly groceries and other foods. Also many baskets are packed, decorated and delivered, under her supervision. On top of all this, our little Miss Dawson finds time and energy for attendance and work of many meetings of various welfare aggregations as well as the keeping and presenting of records, and other duties, in her capacity of Social Service Secretary of the Women's Auxiliary of her Church.

Not many idle moments. May we all in our later days find opportunity—to fill our hours so full of service, joy and happiness.

HONORARY MEMBERS

In the early years of the Alumnae Association's organization and growth, non-nursing friends and supporters of the organization were made honorary members. One of the first such members was Fanny Davenport, the celebrated actress. She was playing in Chicago when she became ill and Miss May Draper of the class of 1895 took care of her. She gave the Alumnae Association a substantial sum of money for its Endowment Fund in appreciation of Miss Draper's care. Miss Florence Hutchison, who was Superintendent of Nurses at St. Luke's from 1894 to 1899 was also an honorary member at that time. She was a graduate of the Indianapolis City Hospital Training School. Both of these members were lost by death before 1903.

In 1904 there were seven honorary members: Mrs. Edward D. Kenna, Mrs. Clinton Locke, whose husband had founded St. Luke's Hospital in 1864, the Rev. Percival McIntyre, Mr. A. H. Mulliken, Mr. Horace W. Nichols, Jr., Mrs. John Rouse and the Rev. Thaddeus Snively. Some of these friends, including Mrs. Kenna, Mr. Mulliken and Mr. Nichols had shown their interest by contributing generously to the cherished Endowment Fund of the organization. Mr. Nichols had been retained by the association as its legal advisor when it became incorporated in 1898 and he continued to invest the associations funds and manage its legal affairs.

In 1906 Mrs. Jane Herchimer was made an honorary member. Ever since 1894 she had served St. Luke's in the varied capacities of housekeeper, admitting officer, dietitian and steward. She had always been a valued and loyal friend of both student and graduate nurses. She brought the roster of honorary members up to eight.

In 1908 five more honorary members were added to the list, Miss Elizabeth Eastman, Miss Margaret Fertis, Miss A. C. Robertson, Miss Margaret Woodworth, and Miss Helen L. Wiltsie. Miss Wiltsie who was a member of the class of 1899 died shortly after she was made an honorary member. Miss Eastman was the sister of Miss Eleanor Eastman who had graduated in the class of 1895. Miss Elizabeth Eastman was made an honorary member in appreciation of the assistance she had given the association when she compiled the first official calendar. A very

substantial sum was added to the treasury thru the sale of this calendar.

In 1912 Dr. John Owens was added to the list. As the Rev. Thaddeus Snively had died, the Alumnae Association now had twelve honorary members.

In 1917 Sister Francesca, who was Miss Frances Maltby of the class of 1896 before she took her vows, was made an honorary member, and in February 1919, Miss Eva Mack of the class of 1897 was likewise honored. Miss Mack is still remembered by many graduates as Supervisor of Nursing Education in the nursing school.

Mr. William J. Bryson was made an honorary member in 1922. As President of the Board of St. Luke's he had been a loved and respected friend of the nurses for many years, and he remained a loyal ally until his death in 1928.

In 1929 there were left only two honorary members, Mrs. Jane Herchimer and Miss Eva Mack.

In 1930, Mrs. Ada Reitz Crocker, the Director of Nurses since 1928 was elected to honorary membership. She is a graduate of the University of Iowa School of Nursing, and her cooperation and sympathy have been a constant source of help to the Association.

Mrs. Lester Frankenthal was elected to honorary membership in June, 1931. As Annie Nourse she had graduated from St. Luke's in 1890. She was one of the eighteen nursing leaders who, in 1893 met in the sitting room of the Director of Nurses at St. Luke's to organize the American Society of Superintendents of Training Schools for Nurses. This was the organization which later became the National League of Nursing Education. At that time she was Superintendent of Nurses at Michael Reese Hospital. Since that time she has loyally and efficiently served her Alumnae Association in many capacities.

Miss Minnie D. Wilbur of the class of 1890 was also made an honorary member in 1931. Miss Adda Eldredge of the class of 1899 was elected to honorary membership at the same time, but declined the honor as she wished to remain an active member.

At the present time there are five honorary members of St. Luke's Alumnae Association.

Miss Mack and Miss Wilbur are both in failing health. They have retired from active professional life and are being cared for in hospitals. Mrs. Herchimer is living at her home in Brampton, Ontario, Canada. Mrs. Frankenthal who lives at 4825 Woodlawn Avenue, and Mrs. Crocker at the Hospital, continue to aid the associa-

tion by their loyal support and wise council.

Six St. Luke's Nurses have become Red Cross Nurses during this year. They are: Class of 1929—Alice Bell and Cecelia Napicinski; Class of 1932—Opal Ducker, Audrey Lowe, Gretchen Wilson and Alice C. Norbeck.

Does anyone know where we can find the names of the Presidents of the Illinois State Nurses Association, serving in 1904, 1905, 1906, 1907 and 1908? Miss Fulmer is very eager to obtain this information.

Dr. William Fuller, practising Physician and Surgeon, in Chicago, for forty-five years, died October 25, 1933, at his home, after an illness of two months. He was sixty-nine years old and was born in Lawson, Missouri. He came to Chicago in 1885 to attend Rush Medical College, from which he was graduated in 1887. He was a Major in the Army Medical Corps during the World War and served as President of the Chicago Surgical Society and the South Side section of the Chicago Medical Society. He was a member of the Staff of St. Luke's. The Alumnae extends their sympathy to his widow, Mrs. Jaell Fuller.

St. Luke's Alumnae Association were guests of the Alumnae Association of Michael Reese Hospital on December 5, 1933. It was a very interesting meeting.

The First meeting of the new year is to be held on January 16, 1934. It is the Annual meeting. There is to be a Red Cross Program also. Please make an effort to be present. Start the New Year RIGHT, by attending the January meeting and ALL meetings.

ENDOWED ROOM

Every St. Luke's Nurse should pledge fifty dollars or more for the Endowed Rooms. One can never tell when they might need the room and what a grand and glorious feeling it is to have those two rooms available in case of an emergency. What a wonderful feeling it is after being a patient there to walk out of the Hospital without having to pay a BILL. Fifty dollars or more, is money WELL invested. After the pledge has been paid, there are not any worries connected with a probable illness. You are well taken care of. Pay your fifty dollars NOW. Aileen Cassidy, who finished training on August 30th of this year has been on a five weeks case, and on November 11th paid her entire fifty dollars for the Endowed Rooms. She wants to be protected. Just think of being able to be in one of the Endowed Rooms for three weeks out of each year, without any charge? It is a wonderful opportunity and we should avail ourselves of it. GRADUATES, follow in Miss Cassidy's footsteps and have a sure thing.

THE WOMEN'S AUXILIARY OF THE MEDICAL BOARD OF ST. LUKE'S HOSPITAL

On May 12th, thirty of the wives of the Medical Board Members met to organize what is to be known as the Women's Auxiliary of the Medical Board of St. Luke's Hospital.

The organization is a natural out-growth of the friendly community spirit existing among the wives of the staff members and among its purpose primarily a centering of some social activities about the institution. Needless to say, the Auxiliary will find plenty of problems to which they may apply their energy; and they have made a good start, having devoted their two fall meetings thus far to sewing for the Hospital.

In addition, a very pleasant bridge party was held on Wednesday, November 22nd, the proceeds of which will be used in the children's ward.

Of more importance to the training school the Auxiliary purposes to sponsor some social function each year for the nurses.

The officers of the Auxiliary are:
Mrs. James Gough—President
Mrs. Eugene Edwards—Vice-President
Mrs. T. Grauer—Treasurer
Mrs. A. R. Morrow—Secretary

The Board of Directors announces with regret the resignation of Miss Hettie Gooch, as Chairman of the Private Duty Section. Miss Gooch has served in this capacity since January of this year.

On December 12th there was a joint meeting of the Illinois League of Nursing Education and First District Illinois State Nurses Association, which was held at the Woman's Club, 72 East 11th St. at 8 p.m. A special program was planned and the Christmas music was by the Capella Choir of the School of Music of Northwestern University under the direction of Mr. Oliver Beltz.

The Bridge benefit which was given by the Doctors wives on November 22nd was a huge success. The party cleared over one hundred dollars. The money is to be used for a "Breast Milk Fund" to provide Special Nurses for critically ill children and other worthwhile projects.

The 32nd Annual Convention of the Illinois State Nurses Association and the Illinois League of Nursing Education was held at the Medinah Michigan Avenue Club, on October 11, 12 and 13th.

Carrie Woods, Class of 1922, was re-elected as Director of the Illinois League of Nursing Education and she is also to serve as Chairman of the Program Committee for the ensuing year. Mrs. Ada Reitz Crocker served as Chairman of the Program Committee, last year.

Many of the nurses of St. Luke's Staff attended and many Alumnae from all over the city also attended the meetings.

On Thursday, October 12th Harriet Fulmer, Class of 1895 was chosen President of the Illinois State Nurses Association, succeeding Fannie Brooks.

Following the election of Officers, three very interesting and fine addresses were given. Subjects and Speakers were: "The Nurse in the Home as seen by the Layman" by Mrs. Arthur Spiegel, President of the Women's Auxiliary Board of Michael Reese Hospital, "Dietary Treatment of Urinary Infection" by Clifford Barborka M.D. Instructor in Medicine at Northwestern Medical School, and "Treatment

and Nursing Care of Chorea," by Ruby Olson of Children's Memorial Hospital.

At the Dinner meeting, Harriet Fulmer and Mrs. Crocker were at the Speakers table. Miss Fulmer looked charming and gave a most delightful, informal talk. Ella Saline, Class of 1929, planned the Dinner, which was both delicious and beautiful. An excellent program preceded the Dinner.

On Friday, October 13th, the Private Duty Section held a meeting from 9:30 till noon. A business session at which time Louise Graff, Class of 1924 was elected Chairman, Clara Bollinger, Class of 1925, elected Co-chairman and Mary Everett Class of 1921 was re-elected Secretary. In the afternoon, there was Conference on School and Administrative Problems. One of the topics was: "The Status of the Head Nurse. What are her Responsibilities? What should be her qualifications? What can be done to obtain the right type of person for this position?" The speaker on that subject was Minnie Howe, R.N. Children's Memorial Hospital, Chicago. Mrs. Crocker discussed the subject. At the same hour, there was a Conference on Every-day Problems in Classroom and Ward Teaching. Edna Groppe, R. N. Educational Director, St. Luke's Hospital School of Nursing, presided at this meeting. Four problems were discussed at this meeting, one "Testing Ourselves." The speaker was Leone Pazourak, Dietetic Instructor at St. John's Hospital, Springfield, Ill. Margaret Miles, R. N. St. Luke's Hospital discussed the subject.

The three days of meetings were very educational and intensely interesting.

Mrs. G. S. Herchimer of Brampton, Canada, the beloved friend of all of the nurses was a guest at the October meeting of the Alumnae Association.

ST. LUKE'S ALUMNAE IN FOREIGN NURSING

GORDO WILLSON—1922

Miss Willson graduated in the class of 1922. She went to Wrangell, Alaska, to the Krangell General Hospital in February 1926. The Episcopal Board of Foreign and Domestic Missions sponsored the buildings of the hospital, and undertook to provide part of the staff which was originally to consist of two nurses, a cook, and a native janitor; the running expenses were shared by the Mission board and a board of local townsmen. During her stay in Wrangell Miss Willson was in charge of the hospital for some time.

The following paragraphs are taken from a letter which was printed in the June 1927 issue of The Alumnae:

"Wrangell, Alaska, is a thriving town with a population of about 2,500. It is situated on an island two and a half days by boat from Seattle and is surrounded by mountains on the mainland and neighboring islands. The people depend almost entirely upon the fishing and lumber industries and tourist trade for a living. About one half of the population are Indians and half breeds and the quaint totem poles for which Alaska is famous, form a large part of the attractiveness of Wrangell.

"The work was varied. The average number of patients was six but at times we had twelve or fourteen and for three weeks we had only one patient. Before going to Wrangell, I thought most of the work would be with natives but in reality the percentage was small. Out of seventy-five patients, only seven were natives. The Alaskan Indian resents being called an 'Indian' and is known as a 'Native.' Many of our cases came from neighboring canneries and a nearby marble quarry. The equipment was modern, the building new, but poorly laid out and twenty-four patients could easily be cared for.

"I think the most interesting work we had was orthopedic. During the time I was there, we had seventeen fractures and, as I knew nothing about X-ray work, it was rather fun learning a bit. The physician in the town was very capable and pleasant to work with. Part of the time there were two nurses besides myself and part of the time just one other nurse.

"The natives are interesting and have many quaint customs. The woman is the head of the house and the male members of her family have control of her children. Her husband in turn, has authority over his sisters' children. To die and not leave enough to bury one with considerable splendor, is a disgrace, and every native puts burial money aside and will touch it for nothing else, not even severe illness. Their traditions, and stories bear a resemblance to some of the Old Testament stories."

Miss Willson was called home in November of 1926. She now holds a position at Hope Farm, a cottage community and school for children, in Verbank, New York.

A FOREWORD OF 1933—

Much water has gone over the mill since the small group of twenty nurses in 1896 met in the Reception Room of the Old Hospital Building and conferred together about this "new idea" of an Alumnae Association. Three years previous at the Nursing and Hospital Section at the World's Fair a paper had been presented advocating such an organization. St. Luke's had already in 1889, organized an Association, known as the Blue Cross. Therefore we were already prepared to carry out many of the proposed plans for the organization of this new group.

At our first meeting it was voted to take over the Blue Cross group and incorporate it's object in our Constitution. It is a far cry from 1896 with twenty members to 1933 with over five hundred, and a graduate body of over twelve hundred. Our articles of incorporation were completed in 1898. Things have moved so rapidly in the Nursing World that we have changed our by-laws many times, but we are still "carrying on" the objective of that first Blue Cross Society:

1. "To care for Nurses when ill."
2. "To raise the standard of our profession."
3. "For mutual encouragement and sympathy."

A significant fact for the younger members of our Alumnae to think about is, that in 1893 the Committee, made up of the pioneer leaders in the profession, met in the sitting room of the Director of Nurses at St. Luke's, Katherine L. Lett, a graduate of Bellevue, to discuss ways and means of forming the American Society of Superintendents of Training Schools of the United States and Canada, known now as the National League of Nursing Education, which, on June 12th, 1933, will hold its 39th Annual Convention in Chicago.
